**By Dave Mosher**

You know Dave - he owns over 250 Safelists and 30+ Supernetworks

Like Avalanche Safelist, Master Safelist Blaster and SimpleTextAdz.

See my list of Dave Mosher safelists that I have joined and use.

He will be launching a BRAND NEW Autoresponder soon called **MyVIP Contacts**

**You can join free but the Pro Upgrade is only \$10.97 per**

**month.** Free members are limited to affiliate marketing of this site with very limited functionality.

Network Marketing is a BUSINESS that you MUST TAKE SERIOUSLY and

an **Autoresponder is an Essential Tool!!**

You wouldn't want a plumber who does not own a wrench or a carpenter without a hammer or a swimming instructor without a pool, would you?

Believe me when I say that I would not buy from a Network Marketer who does not have the proper tools to do that business either!

Why do you need an autoresponder?

		Stay tuned.  [YOURNAME]
53	Why You Need an Autoresponder	<p style="text-align: center;"><b>Why You Need an Autoresponder</b></p> <p>The most important thing you can do in Network Marketing is <b>BUILD YOUR LIST!</b></p> <ul style="list-style-type: none"><li>• You do that by <b>promoting</b> on safelists or other advertising media, then</li> <li>• capturing the name and email of the lead with a <b>Lead Capture Page</b>(also called Squeeze Page, or Landing Page).</li> <li>• That lead's contact information is <b>stored in the autoresponder</b>, associated with the <b>Campaign assigned</b></li></ul>

		<p><b>to the Lead Capture Page.</b></p> <ul style="list-style-type: none"> <li>• Once they have "opted-in", they begin to receive the <b>messages in the message stream for that Campaign.</b></li> </ul> <p>I WANT to help YOU if you are SERIOUS and willing to TREAT THIS LIKE A BUSINESS! I will work with you with the LONG GAME in mind.  &gt;&gt;&gt;&gt; [YOUR LINK]</p> <p>[YOUR NAME]</p>
54	My Perspective	<p><b>My Perspective</b></p> <p>Network Marketing is a BUSINESS. An autoresponder is a <b>Cost of Doing Business</b> in Network Marketing.</p> <p>An autoresponder is an <b>ESSENTIAL COMPONENT THAT EVERY MARKETER MUST HAVE.</b> You would not hire a</p>

plumber who does not own a wrench, or a carpenter without a hammer, or a swimming instructor without a pool, would you?

**It is \$10.97 per month.** If you are unwilling to commit less than \$11 per month for such an important tool that will not necessarily guarantee success, but **without it, WILL GUARANTEE FAILURE**, you are wasting YOUR time. Give it up, and make room for people who WANT to LEARN HOW TO SUCCEED!!!

My Sponsor, Rich Moyer, has ALWAYS offered his help FOR FREE to ANYONE COMMITTED TO LEARN. In 20+ years as a professional business consultant, he has NEVER charged for consulting. He just asks for those folks to consider signing up under him as an affiliate on some of the tools, traffic sites, and training he recommends.

So, what I am asking, is that you consider the **MyVIPContacts Pro Upgrade** for under \$11 per month, and LET RICH HELP YOU...

- Setting up MyVIPContacts
- Setting up Autoresponder Campaigns
- Writing your own Message Streams
- Broadcast Strategies
- Using and Modifying Splash Page Templates to make them Lead Capture Pages
- Creating your OWN Lead Capture Pages
- Free or Low-Cost tools I personally use

- Different TYPES of Traffic and Traffic Strategies
- Traffic Sources
- List Building Tactics

Of course, he will work WITH YOU, but he also recommends getting the BEST Network Marketing Bootcamp Training on the Planet - the [WorldProfit Silver Membership](#). By coupling the Tools, Training, Traffic Sources, Products and Services with TOP TIER AUTORESPONDER tactics he has employed with **MyVIPContacts Pro** and other autoresponder systems, he receives a comfortable flow of new leads that CONVERT, and generate COMMISSIONS.

Did it happen overnight? **NO**

Was it FREE? **NO**

Did it take HARD WORK? **YES**

Unfortunately, it took YEARS before he had someone to TEACH him how to do Network Marketing RIGHT.

Rich actually had to UN-LEARN what he was taught by others, and RESET BACK TO LEARNING THE FUNDAMENTALS with the WorldProfit Silver Member Bootcamp Training. You have an opportunity to substantially shorten YOUR LEARNING CURVE.

Rich WANTS to help YOU if you are SERIOUS and willing to TREAT THIS LIKE A BUSINESS! He will work with you with the LONG GAME in mind.

55	Essential Tools For Less Than a Pizza	<p><b>MyVIPContacts Was Designed to HELP People Start a Business!</b></p> <p>To realize the POWER of MyVIPContacts you MUST UPGRADE!</p> <p>Yes, you can join as a Free Member but you will be limited to promoting MyVIPContacts as an affiliate. Yes, you can earn \$5 per month for as long as your referrals remain as paid members, but you are missing the point. YOU NEED AN AUTORESPONDER!!!</p> <p>Let me put this into perspective. month.

THIS IS SO MUCH LESS than GetResponse or Aweber and includes

PLUS...

		<p>If you have not joined yet, [YOUR LINK]</p> <p>[YOUR NAME]</p>
56	<p>Guaranteed Failure Without an Autoresponder</p>	<p>An autoresponder is a crucial component for any online business. The money is truly in the list, but unless you are <b>CULTIVATING</b> your leads through your sales funnel with the proper follow-up, communication, and relationship building, you will lose them forever. Here's what we mean by a sales funnel:</p> <p><b>Lead</b> (curious) --&gt; <b>Prospect</b> (interested) --&gt; <b>Customer</b> (buyer)</p> <p>An autoresponder allows you to automatically send carefully crafted messages that <b>INFORM, TEACH, and TELL</b> but don't <b>SELL</b>. It takes from <b>7 to 11 exposures</b> to move a lead through the sales funnel (if they have a "buyer's mindset). Followup messages, broadcasts., and other strategies must be used to allow your prospects to understand features, benefits, how <b>YOU</b> use these products and services, and build trust <b>WITH YOU</b>.</p> <p>What do you write in your follow-up messages? Well, the first advice is to <b>TELL</b>, don't <b>SELL!</b> <b>TELL</b> them about product features, benefits, how <b>YOU</b> use the product (<b>HINT: I USE WHAT I SELL</b>). Not a great writer? No problem. I have some</p>

		<p>examples and tools: <a href="#">Email Marketing Masters</a>, and <a href="#">Split Test Mailer</a></p> <p>Many programs provide Done-For-You autoresponder follow-up messages (careful - they may require a specific autoresponder). An example is <a href="#">Clickbank Passive Income</a>.</p> <p><b>MyVIPContacts Pro Autoresponder</b></p> <p>A small monthly payment of under \$11 will get you all the tools you need: unlimited autoresponder, unlimited subscribers, unlimited landing pages, support and TRAFFIC!</p> <p>Included with all paid memberships to MyVIPContacts Pro, are memberships to our top safelists. These sites not only give you mailing credits, but a veritable lifetime of traffic AND an opportunity to earn commissions by getting referrals.</p> <p>[YOUR LINK]</p>
57	<p>MyVIPContacts Pro is Your First Affiliate Opportunity</p>	<p><b>Make MyVIPContacts Pro Your First Affiliate Opportunity</b></p> <p>EVEN FREE MEMBERS can earn AFFILIATE COMMISSIONS of \$5 per Upgraded Referral.</p>

		<p>Remember, that this would be RESIDUAL MONTHLY INCOME for as long as that referral maintains their Pro Upgrade. Now, even SIMPLE MATH makes it OBVIOUS that you only need THREE REFERRALS and you are in PROFIT as a MyVIPContacts Pro Member!!!</p> <p>We have agreed that an autoresponder is an ESSENTIAL TOOL for EVERY Network Marketer, and MyVIPContacts Pro is the autoresponder we have chosen. If you have not JOINED and UPGRADED to MyVIPContacts PRO, do it NOW!  &gt;&gt;&gt;&gt; [YOUR LINK]</p> <p>[YOUR NAME]</p>
58	Multiple Streams of Income. How to Build Your Business	<p style="text-align: center;"><b>Multiple Streams of Income</b></p> <p>I ALWAYS recommend multiple streams of income but promote these ONE AT A TIME. <b>MyVIPContacts Pro</b> is a great way to get started.</p> <p>Join these streams of income as a free member, then as you start to build your portfolio, and your business revenue, expand by upgrading at those programs. Upgrades have many benefits such as free traffic, more privileges, more advertising, better commissions, and more referral incentives.</p> <p><b>Traffic Sources</b></p>

There are many traffic sources to share with you, some free, some that deliver great traffic for just a little cost. These have a two-fold purpose: to drive traffic to your capture pages, and ways to gain affiliate referrals and commissions.

We want to help you get YOUR business started today. Sign up and upgrade to **MyVIPContacts Pro** as a paid member.

**Without it, YOU ARE GUARANTEED FAILURE...**

		<p>SO... Let's review</p> <ul style="list-style-type: none"><li>• 400 Solos and Tons of Credits for FREE</li><li>• ANOTHER 400 Solos and Tons of Credits for a one-time \$30</li><li>• Autoresponder for \$11 per month with Unlimited subscribers, messages, and landing pages</li><li>• Multiple Streams of Income to generate REVENUE that can be reinvested so you can GROW your business.</li></ul> <p>I've just HANDED YOU a complete NETWORK MARKETING BUSINESS.</p> <p>What's left? YOU MUST TAKE THE FIRST STEP!!! &gt;&gt;&gt; [YOUR LINK]</p> <p>[YOUR NAME]</p>
59	Now let's discuss	<p>You hear it all the time...</p> <p><b>Multiple Streams of Income or Residual Income - What's the difference?</b></p>

**Multiple Streams of Income** means that you have multiple "channels" from which you can earn income. You might have Commissions from:

- referrals joining a program or business opportunity
- referrals joining an autoresponder system
- referrals joining a safelist or traffic site
- referrals purchasing upgrades, OTOs, or Advertising
- sales of Clickbank products, JVZoo sales, Warrior+ Sales
- Direct sales of ebooks, training, PLR, or other products

The idea is not to have "all your eggs in one basket". The more streams you have, the greater your potential to generate revenue.

**Residual Income** is **RECURRING revenue** you generate month after month or year after year as a result of subscription or an initial sale that requires no further effort to continue generating revenue. For instance,

- a person signs up for a safelist you are promoting as a free member (now your referral). They purchase the OTO (one-time-offer). This may generate commissions for you, but it is the first sale, not recurring income after the sale.
- Your referral upgrades on that safelist for \$5.95 per month. THIS is a subscription. The first commission you receive for the upgrade is the initial sale, but EVERY MONTHLY COMMISSION YOU RECEIVE for this upgrade is **Residual Income**.

### **Why the distinction between the initial sale and recurring income?**

Theoretically, the tax rate. Residual income is taxed at a lower rate than sales revenue. Most accountants for small businesses are lazy and do not distinguish between the two types of revenue, but for a large company it could be a substantial difference in tax liability, and how that revenue is recorded and reported. (Sorry, but this is the finance guy and auditor in me that made me show you the difference.)

### **Why should YOU be interested in Residual Income?**

Because, this is a **continuous flow of revenue** that requires much less effort than an initial sale. They are ALREADY your

		<p>CUSTOMER, and you need to move your <b>relationship</b> with your customers from SALES mode to NURTURING and SUPPORT.</p> <p>Stay tuned. Over the next few days we discuss specific, proven programs that not only provide multiple streams of income, but also create a massive referral network FOR YOU. They may or may not individually generate revenue or residual income, but they serve as key components that will allow you to BUILD YOUR LIST, Follow up with your list, provide information to your subscribers, and nurture your customers, while at the same time, invite YOUR subscribers to generate multiple streams of income (that may generate <i>level 2</i> to <i>level n</i> commissions) for YOU.</p> <p>[YOUR NAME]</p>
60	Your List	<p><b>Without a List, You Have No Network Marketing Business. Without FOLLOWUP to Your List You Make No Money.</b></p> <p>People <b>rarely buy on first exposure</b> to a product or service, in fact, it <b>takes 7-11 exposures</b> to move someone from...</p> <p><b>Lead</b> (curious) to <b>Prospect</b> (interested) to <b>Potential Buyer</b> (making buying decision)</p> <p>They are looking for INFORMATION, not sales pitches.</p> <p>By <b>capturing that lead</b> and doing the FOLLOWUP, <b>YOU</b></p>

**become the authority** that provides that information and are **positioned to make that sale** when THEY are ready to make that buying decision!

### **Are you throwing stones at birds on a wire?**

If you are just promoting affiliate pages without capturing those leads FIRST so you can provide that information, it is like you are throwing stones at birds on a wire...

You may or may not hit one, but one thing for sure, you will NEVER be able to contact any of them again!

Oh, Your List may in fact be MULTIPLE LISTS. I have literally hundreds of lead capture pages that capture leads in MANY autoresponders. Why MANY autoresponders? Because some programs I promote require SPECIFIC autoresponders and/or lead capture systems. I have been with many of these programs for years and have a loyal base of thousands of loyal subscribers that could be lost if I switched them over. A move would be additional risk, and the many hours I have expended to create these streams of income and followup messages could be wasted, let alone the additional work to re-create this in another tool. As I said, this is an acceptable expenditure to sustain my business.

61	About Traffic	<p>There are three types of Traffic:</p> <ul style="list-style-type: none"><li>• <b>Passive Traffic</b> - basically set-it-and-forget-it. Runs in the background.</li><li>• <b>Active Traffic</b> - you must take action to get results ie. send an email</li><li>• <b>Organic Traffic</b> - generated as a result of search engine keywords (SEO)</li></ul> <p>For instance, these are examples of <b>PASSIVE TRAFFIC</b> packages I use and recommend</p> <ul style="list-style-type: none"><li>• <a href="#">Diamond URL Rotator</a> - 5 website URLs with unlimited views and clicks for one full year - \$37 one-time</li><li>• <a href="#">Gold Banner Rotator</a> - 5 banners with unlimited views and clicks for one full year - \$47 one-time</li><li>• <a href="#">Sapphire Solo Rotator</a> - 5 Solo ads with unlimited views and clicks for one full year - \$47 one-time</li><li>• <a href="#">Traffic Injectors</a> - Guaranteed Unlimited and Targeted Website Traffic - several options for traffic to your website</li></ul>

- [Affiliate Link Blaster - Top Solo Ads](#) on credit mails and solo ads sent on WorldProfit's massive network. In one year, my ad has gotten over 4 MILLION Views and 700+ Clicks
- [Login Ads](#) seen by 180,000 members on WorldProfit's to 18 safelists - hundreds of logins per day
- [NeverEndingTraffic4U](#) - Lifetime traffic from Jane Marks

I have used all three rotators above, and in a year, I have gotten over 10,000 views FOR EACH SLOT IN EACH ROTATOR, and hundreds of clicks each.

These are **ACTIVE TRAFFIC** packages. I recommend ACTIVE TRAFFIC to get the best results.

- [Ruby Solo eBlasts](#) go to 135,000 members, and I typically get between 250 to 350 CLICKS each solo.
- [eBlast your Solo Ads](#) to 180,000 members

- I post my Solo adcopy on my blog in a "current promotions" category. I had submitted my blog domain to the search engines and now when someone does a search on Google, Yahoo, MSN, or other search engines, they are likely to see [MY blog posts](#) (my solo ads).

I usually recommend **focus on ACTIVE TRAFFIC ONLY** until your list reaches 1000 or more. The fastest way to build your list is using PURCHASED SOLO and BLASTER ADS like (in order of preference):

- [Frank Salinas Extreme Solos](#) - 150-300 clicks guaranteed. \$99 each

- [Ruby Solos](#) - goes to 135,000 members each 75-200 clicks - 5 pack for \$37 or 20 for \$67

Why People Fail at Network Marketing

### Why People Fail at Network Marketing

The biggest impediment to online success is not understanding the PROCESS of Network Marketing, and then DOING what it takes to make it work. Everybody is looking for the "easy button", but, my friend, I have some bad news. THE EASY BUTTON DOES NOT EXIST!!!

- Will you have to WORK at becoming successful? YES
- Will it be free? NO
- Will you make 6- and 7- figure incomes SOON? NO

As a safelist owner and admin, I see this all the time. People promote PRODUCTS on safelists, and are NOT PROMOTING TO BUILD THEIR LIST

- It takes **7-11 exposures** - you MUST have a LIST and do FOLLOW-UP TO THAT LIST!
- You Need an Autoresponder or Prospect Management system like WorldProfit
- Autoresponder:
  - You are responsible for creating and maintaining autoresponder content.
  - Many programs provide Done-For-You campaigns or

email swipes for autoresponder followup messages.

- I use and recommend these autoresponders: [MyVIPContacts Pro](#), [AIOP](#), [Aweber](#), [Getresponse](#), [Sendiio](#), and [Rapidmailer](#)
- [MyVIPContacts Pro](#) launched on June 3, 2019 for only \$10.97 per month (my favorite)
- The newcomer in the autoresponder marketplace is [Sendiio](#) - one-time payment, no monthly fees. It has just launched, so NOW is the time to jump on this. (allows import of subscribers)
- [RapidMailer](#) is a bit more complex, requires a [hosting account](#) and Wordpress Blog, but allows import of leads

People do not invest their TIME or MONEY - want to do everything EASY and FREE.

- If you are unwilling to invest your time or your money in YOUR business, why would anyone else want to invest in you either?
- It's OK to use free resources to start out but at some point you will need to make purchases, upgrade, etc.
- Your best investment is TRAINING to learn how to do it right. I recommend the WorldProfit Bootcamp with the [Silver Membership](#) or Matthew Graves in conducting [Quickstart Coach Training](#) - Absolutely worth it
- Invest in QUALITY TRAFFIC. I have many join for free,

trusted traffic resources that offer EXCELLENT upgrade benefits

People promote using the cheapest, least effort PASSIVE advertising methods ie banners, text ads.

- PROMOTE USING **ACTIVE TRAFFIC TOOLS**: credit emails, solo ads, SuperNetwork Solos, Paid Solos.
- YES - IT IS WORTH SPENDING MONEY FOR QUALITY SOLO and SUPERNETWORK SOLOS
  - - I offer [SuperNetwork BOGO](#) - buy one Supernetwork Solo, get 1 site solo free
    - Stock Up on [Frank Salinas Extreme Solos](#) while they last. 23 left at 60% discount

People have no plan - bounce from program to program.

- Stick with a PROVEN PROGRAM. It's OK to have multiple PROVEN streams of income
- I have free [business plan resources](#) to share with you

People do not have the proper training, tools, or support.

- You need PROFESSIONAL HELP, PROVEN TOOLS, PROVEN TRAFFIC SOURCES, A COMMUNITY to support

you

- - The [WorldProfit Silver Membership](#) has it all. Everything you need

People do not take advantage of training, ebooks, ecourses to LEARN

- I provide QUALITY ecourses and materials, mostly free
  - - They are available on [my safelists](#)
    - A [WorldProfit Free Associate](#) now has The Vault and Funnels available in their member area under Goody Bag

People limit themselves and do not join many safelists to broaden their audience

- **Join 1 new safelist per day.** Get free sign-up bonus and promo codes
- Do STRATEGIC UPGRADES - see me for recommendations
- Get a MASSIVE advertising boost through [Instant Cash Promo Codes](#). Promo Codes that give you 400 Solos, Banners, Buttons, and Textlinks on 80 sites THAT I PERSONALLY USE MYSELF. Only \$20 with ORU or my

		<p>exclusive offer that does not require ORU for \$30</p> <p>People on safelists do not redeem promo codes for free ads or use the ads available to them</p> <ul style="list-style-type: none"> <li>• So many people do not REDEEM available promo codes.</li> <li>• READ YOUR MEMBER AREA AND PROMOTIONS to extract as many free credits as possible.</li> <li>• Many people do not login monthly to maintain their ACTIVE MEMBER status so they LOSE their monthly ads.</li> </ul> <p>People do not understand the VALUE of "strategic" upgrades</p> <ul style="list-style-type: none"> <li>• Invest in upgrades that can get monthly ads, benefits, higher mailing volumes, and can EARN COMMISSIONS.</li> </ul> <p>See my webpage on <a href="#">ACTIVE MEMBERS</a></p> <p>[YOUR NAME]</p>

## **Here's How You Make Money - PAID REFERRALS**

Unlike safelists and traffic exchanges, **You SHOULD promote TheDownliner on TheDownliner!**

Also **promote AIOP on TheDownliner**

And increase these numbers with emails when you **use AIOP to Promote The Downliner, The TDL Machine, and All-in-One-Profits**

One Big Ole' Circle of PAID Referrals Earns COMMISSIONS for YOU!

So, TDL, coupled with the TDL Machine, creates quality PASSIVE traffic streams, and can generate RESIDUAL INCOME STREAMS for both TDL and the TDL Machine ( All-in-One-Profits )

I recommend the Go-Getter for \$9.95 per month. Only upgraded members qualify for TDL Machine.

(The next one you have to pass up)</p> <p>-----</p> <p><b>What is TDL Machine?</b></p> <p><b>TDL Machine</b> is a TEAM BUILD, part of TheDownliner. When you join All-in-One-Profits through TDL Machine, your AIOP userid is put into a massive ROTATOR. When YOU are in the "hotseat", YOU get the PAID REFERRAL to All-in-One-Profits!</p> <p><b>You must be an upgraded member of TheDownliner to participate in TDL Machine.</b> You would get GREAT traffic PLUS qualify for TDL Machine for \$9.95.</p> <p>Your AIOP account must be in good standing to be put in the</p>
----	--------------------------------	---

TDL Machine rotator. All-in-One-Profits (AIOF) Basic is \$11.45 per month, and does not require Paypal.

So for a total cost of about \$21.45 per month, you have an automatic profit machine. Just two AIOF signups and you are IN PROFIT. (You can also PROMOTE and USE AIOF to get MORE AIOF Referrals).

- Get started NOW.
  - Join TheDownliner for free, then join TDL Machine.
  - Sign up for All-in-One-Profits (AIOF) under TDL Machine. You can have multiple AIOF accounts - **this must be UNDER TDL MACHINE for the rotator to work.**
  - Update TDL Machine with your All-in-One-Profits userid
  - Done.

You are then in rotation. You keep the Commission for EVERY OTHER AIOF PAID SIGNUP!

Understand, as with ANY team build, **it takes 3-6**

**months** to get into PROFIT, however, in those 6 months, you can also promote your AIOF affiliate ID to get PERSONAL Signups, AND you get to use all the AIOF features.

Every paid signup that you KEEP pays you RESIDUAL INCOME month after month as long as they remain as paying members in AIOF.

Once people see the benefit of having an autoresponder, they tend to stay because it is difficult (and many times prohibited) to move subscribers to a new autoresponder.

AIOF is rather unique by providing **free hosting** for even BASIC members. Subscribers also tend to stay because they are using the free hosting for blogs or other websites.

And AIOF paid members recognize that having unlimited subscribers, campaigns, and follow-up messages sets them apart from most other commercial autoresponders,

AND you can email your subscribers any time, as often as you wish.

AIOP has a huge PLR Library, and a great Splash Page (landing pages) builder.

Start building your list NOW.

- Promote only LANDING PAGES that capture the lead information, then redirect to the affiliate link for the program you are promoting.
- FOLLOWUP with your leads using AIOP campaign follow-up messages!

The MONEY is in the FOLLOWUP to your list!

**About TheDownliner**

Don't forget that [TheDownliner](#) is an EXCELLENT traffic

		<p>source. One of the easiest traffic systems online today.</p> <p>Instead of joining over 9,000 traffic exchanges, safelists and PTCs, just join The Downliner and add your link. What could be simpler?</p> <p>I recommend the \$9.95 per month TheDownliner traffic package. It's just GOOD TRAFFIC. And AIOP is worth the small monthly cost to USE but also gives you a dependable stream of income. The TDL Machine is a gimme.</p> <p>[YOUR NAME]</p>
66	Streams of Income: #1 Goldmine	<p>With #1 Goldmine, your ads get DIRECT exposure to 338,000+ people. I've been with #1 Goldmine since Maryanne Myers introduced it. #1GoldMine has gained so many members - so fast - for a reason</p> <p>Get on this outstanding, lucrative 2 tier program. Both tiers earn the same</p>

## So what exactly is #1GoldMine?

3 different submitters that blast your ads to multiple massive sites.

**COLOSSAL Blaster** - The Colossal Blaster reaches 338,000 members on 8 sites that are Safelists, Traffic Exchanges and 1 massive TAE that is on over 1000+ *other websites*. This Blaster uses **GOLD BARS**.

Which Websites Are In The Colossal Blaster?

- **PANGEA #1** - 123,000+ members [safelist]
- **PANGEA #2** - 91,000+ members [safelist]
- **CHERRYTRAFFIC** - 12,000+ members [traffic exchange]
- **1TAE** - 16,000+ members [textad exchange on over 1000+ websites]
- **50DAYGETSYOUPAID** - 30,000+ members [traffic exchange]
- **HOTSPOTMAILER** - 41,000+ members [safelist]
- **10BUCKBLAST** - 7,000+ members [safelist]

What's really cool is you just store your ads and website URL. You don't have to be concerned what type of site it is, or the format of the message.

- If it's a traffic exchange, the Colossal Blaster inserts your

site to be surfed by members on that site.

- If it's the massive TAE (text ad exchange), Colossal Blaster shows your ad on 1000+ other websites.
- If it's a safelist, Colossal Blaster puts it in the queue to be emailed to all members, and on some sites it puts it in the onsite email boxes.

**Using the Colossal Blaster Completely Bypasses Any Need For Credits On All Of These Ad Sites.**

While on the #1 GoldMine site, go to the **Blaster Hub**. In **Step #1** you join each of the 8 sites as a FREE MEMBER, and update #1 GoldMine with your login ID. **DONE!!!**

**POPPIN Blaster** - The Poppin Blaster shows your ads to an audience of 3.5 million using classifieds and search engines. You copy/paste your info into the search engines.

**Boom Blaster** - Your Stand Alone Solo email ad will go to all the Webstars2K subscribers. These are not the same as solo ads on a safelist mailer. They are "Stand Alone" solo ads, meaning they are purchased ads only, and subscribers can not send email ads to each other. You can only send an email ad if you buy one at Webstars2K (sold for \$47) OR from the #1Goldmine Ultra blast packages. This uses 35 BRONZE BARS for each Ad.

		<p><b>Earning Commissions</b></p> <p>Get on this outstanding, lucrative 2 tier program. Both tiers earn the same (NOT less on the 2nd one) PLUS one person can earn for you multiple times, or forever!</p> <p>Click <a href="#">THIS</a> to join</p> <p>I use the Colossal Blaster at least once or more per week. 67	Streams of Income: LeasedAdSpace	<p><b>LeasedAdSpace</b> is the most unique advertising opportunity online, but it's also the best marketing platform to sell the hottest commodity online: TRAFFIC!.</p> <p>That's right, not only can you advertise your own offers using the innovative marketing platform, but you can also profit from referrals as an affiliate! Straight up, you get paid on every sale you make, up to 75% commissions paid to you!</p> <p>Every single business or person that is trying to make money online needs traffic. Without it, we're all dead in the water! That is</p>

what LeasedAdSpace provides. You get the platform to sell it and you bring in the people or businesses that need it. And we help you make the sale!

Here are the reasons why I absolutely love this!

1) It pays up to 75% commissions!

2) You can email the entire Leased Ad Space customer base for only a \$10 one-time payment, Once Per Month. Forever!

3) No monthly subscriptions.

LeasedAdSpace - Level 1 Upgrade for \$9.95 gets 1 Solo Monthly For Life plus you can post to the Free Blog. This is ingenious. The blog is indexed by the search engines, so your blog post (solo ad copy) gets clicks for days, weeks, or months after being posted.

There is an optional \$10 one-time Affiliate fee if you want to promote LeasedAdSpace and earn commissions (OF COURSE YOU DO!!!!)

Leased Ad Space always has been a great traffic resource. Now it is also a GREAT Affiliate Opportunity!

The OLD Leased Ad Space... the comp plan had been a

nightmare.

- I never liked it...
- You had to OWN an upgrade level to receive commissions for sales.
- If your referrals purchased a higher level upgrade, YOU LOST THE SALE...
- it was passed up to the first upline eligible for commissions at that level.

Starting NOW Affiliates will be able to EARN COMMISSIONS for ALL SALES to their referrals! Regardless of Member Level! This will also include previously non-commissionable traffic.

**Here's the catch**

- You must SIGN UP as an Affiliate.
- There will be a \$10 Affiliate Signup Fee...
- UNLESS YOU WERE ALREADY AN UPGRADED MEMBER!

You can make up to 75% commissions off of 7 different levels of traffic packages sales, as well as our other products like **ParaAds**.

Commission rates are based on the traffic package you yourself

own. However, owning a package is not required to be an affiliate, nor is it required to earn commissions. You can earn commissions on sales without purchasing any packages yourself. The three commissions tiers are:

- **Recruit** - 25% commission on all sales they refer. Recruits (free members) do not themselves own a traffic package.
- **Soldier** - 50% commission on all sales they refer. Soldiers own at least one traffic package themselves.
- **General** - 75% commission on all sales they refer. Generals own the Red Diamond traffic package.

So... it is WORTH at least a \$9.95 ad package one-time purchase to earn 50% Commission! PLUS you get a Solo Ad EVERY MONTH for LIFE.

Other good stuff...

- No more member-to-member payments!
- It will become Central Administration of Commission Payments!
- Payouts are made through Paypal and Bitcoin!
- Purchases can be Paypal, Bitcoin, Debit, and Credit Cards.

Join as a free member of [Your Viral List](#).

It takes just a couple clicks to set up your autoresponder. I recommend [Aweber](#) or [Getresponse](#) and then promote your Done-For-You capture page.

Claim your free Lead Magnet. I recommend cloaking your raw links with [SoManyHits](#) or [ViralURL](#).

Promote your cloaked Lead Magnet link on safelists, traffic exchanges, ad boards. Add your link after your signature line on regular emails (never put URLs in the body of credit mails or solo ads).

I've created a rotator (free on my safelists) and promote THAT link so as your lead magnet library grows, your prospects see more and more lead magnets, giving you a higher probability that you will have a report that interests them.

People LOVE free reports. I LOVE to build my LIST.

- Every point you earn on your primary URL will automatically be increased by up to 2,000%. So if you earn 1,000 points today, we will make that up to 20,000 and boost you up the Level Ladder.
- Every point you earn on every website you have listed will automatically be increased by up to 500%. If you earn 1,000 points on each of your websites today, we will make that up to 5,000 instantly and boost every one of your websites up the level ladder.
- Boost your ads in the Traffic Ad Bar. We will make sure that your Ads are shown as a priority in the Traffic Ad Bar. Keep in mind that potentially everyone on the internet could see your Ad!

If you want serious website traffic then you've come to the right place as Traffic Ad Bar upgrades have been designed to give you quality website traffic.

**What can you expect to see?**

- As soon as you upgrade we will pump your Ad into the Traffic Ad Bar network. You will see your Ad impressions rocket within hours of upgrading which drives people to click on your Ad and visit your website.
- From the second that you upgrade every point you earn will be multiplied up and the next time the Level Ladder is calculated you will be rocketed up the rankings. (Remember that the Level Ladder is calculated every 3 days, so you will see your websites go up within 72 hours.)
- After the first 3 days your points will continue to soar as every point you earn is continually multiplied up.
- This will ensure that your position on the level ladder and your website traffic continue to build. After 3 months, you will start to see your website traffic peak and you will have received 1,000's of hits!

75	Traffic Sources: Is my Email Being Delivered?	<p><b>Change YOUR behavior and up your GAME</b></p> <p>Gmail is filtering what mail is delivered by <b>REPUTATION SCORE</b></p> <p>People sending promotions via credit mail or Solo ads <b>COUNT</b> on that email to be <b>DELIVERED</b> so the recipient can</p> <ul style="list-style-type: none"><li>• VIEW the subject line</li><li>• Open the email</li><li>• Read the ad copy</li><li>• Click on the links</li><li>• View the landing page or sales page and</li><li>• Sign up</li></ul> <p>This is called the <b>SALES FUNNEL</b>.</p> <p><b>BUT</b>, what if your email is <b>NOT DELIVERED</b>?</p> <p>It was a common practice of Yahoo, MSN, AOL, ISP's, and others to <b>FILTER</b> emails so you never received what <b>THEY</b></p>

considered junk mail. **We were fairly safe with Gmail UNTIL NOW!!!** Gmail has started filtering what mail is delivered by **REPUTATION SCORE**. This magic algorithm is not published so nobody really knows the rules anymore.

I have several solutions to **defeat this restriction**.

1. [All Active Mailer](#) sends only to ACTIVE Members who have opened emails within 30 days and clicked your links within 90 days. This is free to join and use. (There are SO MANY REASONS to join and upgrade on this site). This functionality will be included on ALL [Your Viral Network Mailers](#) as they are being upgraded to the YVN 2.0 Software Platform, starting with [Your Viral Mailer](#)

2. **User Behavior**. People join tons of safelists but hardly ever login. They click for credits from their INBOX, which means they are likely to MISS YOUR EMAILS. And, they just randomly click for points - no plan to accumulate enough credits to send THEIR emails and post ads.

- Did you know that SMALL SITES with only a few members (25 to 150) generally have a **higher percentage of ACTIVE MEMBERS?**
- **Attentive Admins** (like myself) are continually" cleaning the list of deadbeats

- Site software (like my sites) **REWARDS activity and PUNISHES inactive members** by sending inactivity notices and withholding MONTHLY ADS (All ACTIVE members on my sites receive free monthly ads and credits).
- Small and startup sites tend to offer **HUGE bargains for upgrades and ad packs**. THESE ADS DO NOT EXPIRE. As the sites grow, your "little ad" is now getting more and more visibility. As sites grow, the PRICE of ADS generally INCREASES
- Small and startup sites are **highly promoted, and grow more quickly**. This is an advantage to you because more people see your ads, new members tend to be more active, and there are greater OPPORTUNITIES for YOU to get REFERRALS and EARN. I have substantially increased the size of my list and EARNINGS by UPGRADING on startup sites, Promoting them, and offering BONUSES.

Let's see how to use your ADS and DRIVE BEHAVIOR to INCREASE MEMBER ACTIVITY, get MORE CLICKS, and generate MORE CREDITS.

- **Encourage members to LOGIN to the SITE** rather than clicking for credits from their INBOX
- **Everything on the safelist member pages is**

**CLICKABLE** so you can earn credits.

- By logging in, you are exposed to **MORE OPPORTUNITIES to view ads and EARN CREDITS** so your credits accumulate **FASTER**. More credits = More Ads YOU can post
- **Credit Mail is NOT as effective as Solo Ads.** On most sites, credit mail is **NOT RETAINED**. Once it is sent, it is deleted from the site. If your audience misses them in their inbox, **THEY ARE NOT GOING** to be **SEEN**.
- **Your Solo Ads do not disappear!!** SOLO ADS are **NOT** purged, and in addition to being sent out in email, **SOLO ADS CAN BE VIEWED** by logging into the safelist site and viewing them **ONLINE**. I offer solo ads via direct payments, discounts through ORU Marketplace, or trade for credits.
- There are **SO MANY** ad types available to **POST, VIEW** and **EARN** credits by viewing on the site.
- Different Ad Types reward different point values. Generally highest to lowest:
  - - Sponsor Ads, Login Ads, Start Pages
    - Daily Bonus and Contests
    - Supernetwork Solos - many offer 2X or 3X Credits for

viewing during Happy Hour

- HP Solo Ads, Solo Ads
- Featured Ads, AdsPlus Ads and other premium ad types
- Credit Mails
- Banners, Buttons, and textlinks. Most people gravitate to posting these lower point value ads but these are also the LEAST EFFECTIVE!!!

Building your downline and GETTING REFERRALS yields HUGE REWARDS.

- You get the Referral
- You earn points when referrals login
- You earn points when referrals earn points
- When referrals join sites in the extensive Downline Builder they become referrals to YOU on THOSE SITES TOO
- Oh, and YOU CAN WIN PRIZES.

So, you can start by changing YOUR behavior, and upping your GAME. **Safelists DO Work! If you know HOW to USE THEM.**

78	Traffic Sources: Profit From Free Ads	<p style="text-align: center;"><b>How to Send Solo Ads for Life...</b></p> <p>There are tons of people who sell solo ads online. You can</p>

purchase mailings from 100 clicks up to 3000 clicks starting at \$75.00 up to \$2250.00 and that is just 1 solo ad run.

But what kind of results do you think you might get if you could send solo ads for life for a one time fee?

And if we gave you the ability to build a list of warm prospects fast by simply giving away FREE ad displays do you think your results might improve?

And do you think your results might increase even more if we gave you 2 powerful online mailers so you can send solo ads for life to our entire membership as well as your own personally sponsored members?

You know that a responsive list means more money in your pocket, right?

And what if we gave you banner ads and text ads with enough ad credits to get you the exposure you need for your favorite websites.

This should help,

80	Traffic Sources: Herculist	I use Herculist Every Day... to email 84,000+ members!

		<p>Where else do you find a site that GROWS SUBSTANTIALLY every day? It started out last January at 76,000 members, and by the end of 2018, membership had grown by 6700 members to over 82,800 members. 81	Traffic Sources: Supernetwork Solos	<p style="text-align: center;"><b>Why Supernetwork Solos?</b></p> <p>Here's the game plan...</p> <ul style="list-style-type: none"> <li>• I want you to earn credits. That way you can post YOUR Ads.</li> <li>• I want you to use ALL AD TYPES available on the site - to</li> </ul>

be SEEN by other members

- I want your Ads to be SEEN by as many prospects as you can reach
- I want you to get the MOST from your membership and Advertising Resources

Let's face it. You are spending HOURS and HOURS posting FREE ADS that REWARD THE VIEWER ONLY A FEW MEASLY CREDITS

I also want your ADS TO BE SEEN!

Did you know...

- The maximum number of viewers for your ads is the **NUMBER OF ACTIVE MEMBERS** on the site?
- My sites have a **higher percentage of ACTIVE MEMBERS** than most LARGE SITES?

Check out **Earn ! Unclaimed Credits**. Did you know (even at the SJV level)

- Surfing earns **6 Credits**
- Credit mails earn **30 Credits**
- Button Ads earn **30 Credits**
- Banner Ads earn **40 Credits**
- Text Links earn **40 Credits**

- Solo Ads earn **300 Credits**
- **Admin Emails** earn **1000 Credits**

Now go into **Earn ! View SuperMega Ads** or **Earn any other SuperNetwork Solos**

- SuperMega Ads and other *SuperNetwork Solos* on my sites **earn 1000 Credits**
- Many Supernetwork Solos **offer 2x or 3x the credits during happy hour**
- The maximum number of viewers is **HUNDREDS of TIMES MORE** than regular Solos
- The **number of CLICKS** I receive is generally **50-150 clicks PER SOLO**
- You get **statistics on EACH of the 5 SUBJECT LINES** that shows HOW EFFECTIVE they are
- I offer this **exclusive SuperSolo BOGO** on my sites - get 1 free site solo for EACH SuperSolo purchased
- You can send your ad to **THOUSANDS of members in just a couple MINUTES**
- These ads **COST less than \$3-\$5 each** and they are **CHEAPER WHEN YOU BUY IN BULK** (5 for \$15)
- My SuperSolos sell for the **LOWEST ALLOWABLE PRICE** per my contract with the network owners!

Bottom Line...

- I KNOW TRAFFIC

- I USE THE TRAFFIC I SELL
- I PROMOTE ON SAFELISTS TO BUILD MY LIST
- I GET SIGNUPS EVERY DAY TO MY LIST
- I CONVERT THOSE SIGNUPS to SALES with FOLLOW-UP ( autoresponder messages)
- I PROMOTE to MY LIST TO MAKE SALES
- I PROMOTE to CLASSIFIED AD SITES and LOCAL/WORLDWIDE Ad Sites TO MAKE SALES

Sounds pretty simple right? Well...

- It did NOT happen overnight
- There was NO EASY BUTTON
- It took the [RIGHT TRAINING](#) to get me back on track.
- It did not happen for Free
- It took LOTS of HARD WORK
- I made LOTS of MISTAKES

I will SHARE my KNOWLEDGE, PROCESS, and RESOURCES with you if YOU are willing to COMMIT.

82 You vs Me (Comparison of Success Factors)

**You vs Me**  
(Comparison of Success Factors)

**Here's YOU... (am I wrong?)**

1. You grab affiliate links and post them anywhere and everywhere
2. Who cares about the signups, YOU just want the commission when someone orders
3. Every day you get tempted by the "make \$250 a day" ads and sometimes you buy into them.
4. You don't take the "long view" that this is a BUSINESS. You treat it like a HOBBY to get next week's pizza money.
5. You don't have a BUSINESS PLAN. You bounce from one program that promises the EASY BUTTON to another
6. You do not promote with any consistency or track the effectiveness of your advertisements
7. You use only free resources and do not INVEST in YOUR BUSINESS. You click for points only so you can promote for free, not content that may help you improve your business
8. You do not invest in TRAINING to learn HOW TO DO NETWORK MARKETING RIGHT.

Your method has cost you over \$1,000 or more so far and you

just can't seem to find the one that works.

**Here's ME...**

1. I promote FREE stuff on my landing pages by posting my links anywhere and everywhere

2. I join at least 1 or more new sites EVERY DAY to get FRESH EYES on my promotions.

3. I PROMOTE EVERY DAY. I send 250,000 to 1 million emails PER DAY. 60% promotion, 40% communication with MY SUBSCRIBERS

4. I get about 5-10 signups a day to MY list. MY list is over 23,000 and took me about 4 years

5. I know my subscribers because I send them reports and products I endorse almost every day.

6. I use Autoresponders to automate messages to my subscribers, and broadcast to those subscribers 3-5 times per week with INFORMATION, not sales pitches

7. My subscribers purchase regularly and I can count on MY list growing daily and providing me Affiliate income EVERY SINGLE DAY!

8. I use what I sell. I have **FIRST HAND KNOWLEDGE** about the products and services I share and promote only products and services I **TRUST**

9. It's not about the **MONEY!** My consulting has **ALWAYS** been free. I build **RELATIONSHIPS**. Do **THIS** and **THE MONEY WILL COME**

10. I **TRACK** my promotions and utilize only the most effective resources.

11. I have a **BUSINESS PLAN** and revisit that plan quarterly to make adjustments **BASED ON MEASUREMENTS AND RESULTS**

12. I am **NEVER DONE LEARNING**

13 I reinvest **ALL** my earnings back into my business while building my business until my **PERFORMANCE GOALS ARE MET** so I can then then move into **OPERATIONAL MODE** to reap the **REWARDS**

Want to be ME and actually make money the **EASY** way?

83	A Plan for Multiple Streams of Income	<p style="text-align: center;"><b>A Plan for Multiple Streams of Income</b></p> <p>We are here to rough-out a PLAN so that YOU can start to make money. I've selected programs that provide valuable and needed FUNCTIONS while at the same time, offer affiliate earning opportunities. Most of these programs allow you to join for free, but the real value is seen when you upgrade. As you start to fill your coffers with commissions, you should be <b>REINVESTING</b> those earnings through selective upgrades.</p>

Think of a cardboard box.

You have three balloons that must fit in that box: **Time**, **Money**, and **Effort**. **The goal is to keep that box FILLED** with these three balloons, so if your goal (keeping the box filled) requires a shorter **Time**, then you must increase **Money** and/or **Effort**. If you don't have much **Money**, you have to increase **Time** and/or **Effort**.

There is a subtext to the rule: **AT NO TIME CAN ANY OF THE BALLOONS BE EMPTY.**

So let's show you a practical application of this theory. You are a free member and don't have much **Money**, and many of these programs do provide ways to earn upgrades or other benefits like

		<p>clicking for traffic (more of your <b>Time</b> and <b>Effort</b>).</p> <p>The <b>Money</b>balloon is small so the <b>Time</b> and <b>Effort</b> balloons are necessarily larger. A Done-For-You program reduces your <b>Time</b> and <b>Effort</b>, but generally costs more <b>Money</b>.</p> <p>Since we agree that there are several CONSTANTS in Network Marketing, it is a given that NOT EVERYTHING WILL BE FREE. This is a BUSINESS. It WILL require some investment of <b>Time, Effort</b>, and <b>Money</b>. And... <b>YOU WILL NEED TRAINING</b> to be able to do this!</p> <p>[YOUR NAME]</p>
84	Preparation to Build Your List	<p style="text-align: center;"><b>Preparation to Build Your List</b></p> <p>Remember, you have <b>NO BUSINESS WITHOUT A LIST</b>, and the <b>MONEY IS IN THE FOLLOWUP</b>, but before we can start building that list, there is some up-front preparation.</p> <p>We need to decide <b>HOW</b> to Build this list, and <b>WHAT</b> to promote to attract SUBSCRIBERS to that list.</p> <p>Network Marketers need TRAINING, TOOLS, TRAFFIC something to generate revenue, either through product sales or affiliate commissions. Since product creation is well beyond your skillset, your obvious choice is Affiliate Products and Services.</p> <p><b>Strategy:</b> Provide them with INFORMATION more than SALES</p>

		<p>and PROMOTIONS. I like to reflect how I use these products and services (YES I Use What I Sell!). But keep i mind that YOUR SUBSCRIBERS signed up because THEY are interested in having a VIABLE and SUSTAINABLE ONLINE BUSINESS. This page should be their guidebook, and drip-feed them information about the recommended multiple streams of income YOU use.</p>
