VIP or Elite Upgrades. Did You Know?

Gold members and below must click several ads before being allowed to submit HPSolo, Solo, or Credit Mails. I hate clicking ads. **VIP and Elite members are not required to click ads to unlock email ads.**

VIP and Elite members can submit Fullpage Login Ads. THIS IS HUGE. Login Ads are highly effective ads.

- Every member who logs into the site **MUST VIEW THESE ADS.**
- Because they are only available to VIP and Elite members, there are **only a few in the rotator at one time.**
- It has been my experience that the **majority of VIP and Elite members are BUYERS**
- VIP and Elite members are **more likely to be SEASONED MARKETERS** who present **WELL THOUGHT OUT offers**, not junk.
- Many of the offers are good examples to model after.

My purchase strategy considers that **VIP and Elite package offers** include **TONS of Supersolos**, so it is a win for me. I get the **Supersolos**, and I get the **monthly ads**, I earn the **higher commissions**, that I trade for **Login Ads**.

When I front-end these offers with a **lead capture page**, they are **great lead magnets** to **build my list**, and I get some referrals. My **Thankyou/Bonus pages** then expose those subscribers to **value-added freebies**, my **primary top moneymaker affiliate programs**, and **other offers**. And the world goes round and round.

Do you like these newsletters?

I am making some changes. The newsletters I have posted
looked fine as a single column, but on the blog site, the dual
column format is terrible. I have re-posted all the past dual
column newsletters as PDF files, and all in the future. You will
see in the blog post only a link to open the PDF file.
