## How are Instant Commission Safelist Sites Different than Traditional Safelist Scripts?

### Earning Commissions

These sites, like other sites, pay commissions when your referrals purchase ads or upgrades. As with all sites, the commission structure is **based on membership level**.

But a primary difference is that traditional safelists pay commissions based on a **PERCENTAGE OF THE PURCHASE AMOUNT**, whereas Instant Commission sites **pay 100% of the amount, but REQUIRE PASS-UPS**.

#### Free members earn 25% of commission opportunities

- 3 pass-up sales go to admin,
- then 100% of the amount of 1 sale goes to member (repeat)

#### Gold members earn 50% of commission opportunities

- 1 pass-up sale goes to admin
- then 100% of the amount of 1 sale goes to member (repeat)

#### Platinum members earn 75% of commission opportunities

- 1 pass-up sale goes to admin
- then 100% of the amount of 3 sales go to member (repeat)

#### EliteVIP members earn 100% of commission opportunities

- 100% of the amount of **every sale** goes to member

### Direct Pay vs Admin Paid Commissions

There are many methods of payment your referrals can use to pay for membership upgrades and ad purchases. Not all methods of payment are available in every country. Available payment methods may be:

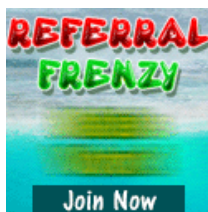

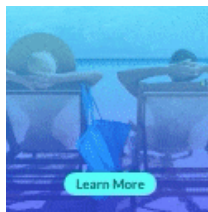

- Bitcoin
- Cash App
- Debit/Credit Card via Stripe
- Ethereum
- Facebook Pay
- Google Pay
- Litecoin
- Uphold
- Venmo
- Wise
- Zelle

Members can **set up their profiles** so that they can get paid directly by their referrals via these methods.

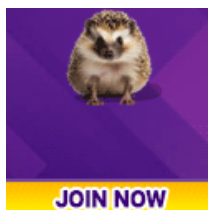

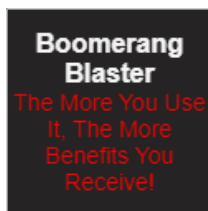

If your referral pays via a method you do not have set up, you will receive **80% of the AMOUNT of the sale!** The Admin keeps 20% and pays you 3 days later!

**SO... BE SURE YOU SET UP YOUR PAYMENT METHODS IN YOUR PROFILE!**

### Ad Duration vs Views

### New Traffic Sites to Join

Instant Commission site advertising is different than traditional safelists where your ad purchase (or ad-pack ads) is by **NUMBER OF VIEWS OR CLICKS**. Solo ads are distributed to all members, and are retained on the site FOREVER (or until deleted by admin).

Instant Commission site ads are for **30 DAY DURATION**. Your ads **EXPIRE after 30 days**. Solo ads are distributed to all members, and are retained on the site **ONLY UNTIL THEY EXPIRE**.

Credit Mails on both safelist scripts are distributed to the number of credits expended, or the maximum dictated by member level. **Members can elect to send to referrals without spending credits.**

#### Instant Commission Membership Email Limits

- Free Members Can Send ~ 5,000 Emails Per Month
- Gold Members Can Send ~ 15,000 Emails Per Month
- Platinum Members Can Send ~ 45,000 Emails Per Month
- Elite VIP Members Can Send ~ 45,000 Emails Per Month

**On average 1, out of 5 members that join upgrade to Gold!**

Members can save the most money by upgrading to **Gold** through the **one-time offer** available when they first join.

If a member wants to upgrade to **Platinum**, they should first upgrade to **Gold**, then log out and log back in. They will see a login offer for **Platinum** for \$50—this offer should not be purchased from the members area. **Platinum** membership includes the **Exit Pop URL** feature. When the referrals log-off the site, they are redirected to the page specified in the **Platinum** member's profile. **POWERFUL!**

For those looking to upgrade to **EliteVIP**, follow the same steps: upgrade to **Platinum** via the login offer, and then upon their next login, they will see an offer for **EliteVIP** at \$107 (note that this price may increase soon). The **EliteVIP** membership has a **No Email option**, they earn **100% Commission for EVERY sale**, get **10 Million Credits**, and can add their **Autoresponder HTML Form Code** to their profile that requires the prospects to **JOIN THEIR LIST** before joining the Instant Commission site.

Do some members upgrade inside the members area? Yes, some do but **you save a ton of money by not upgrading in the members area**, and following the progression I described above if you want to save money.

#### Some Instant Commission Sites are DISAPPEARING.

That's right, at least those owned by Dave Mosher. You see all the offers I post (the ones with huge Supersolo bonuses). These are the **40 Instant Commission sites** that must be converted to Dave's traditional safelist script. This is a business decision in lieu of having to pay for 40 software upgrades to maintain compatibility with the latest server PHP releases.

**WATCH FOR THESE OFFERS.** Dave is offering **HUGE affordable packages** for sites either being converted soon, or those that have recently converted. Upgrades will be **transferred to an EQUIVALENT member level** on the converted sites, however the new sites **will NOT offer instant commissions**, and will revert to **commissions by PERCENTAGE OF AMOUNT**, with **no pass-ups**.

#### There are Still Many Instant Commission Sites

You have seen some recent launches by Frank Salinas for [100 Percent Clicks](#) and [150 Mailer](#). (I just redeemed newmember and received **365**

day ads at 150 Mailer)

Elizabeta Kuzevska's [AE Mailer](#) has been a strong site for many years

## Newsletter Archive

Do you like these newsletters?

I am making some changes. The newsletters I have posted looked fine as a single column, but on the blog site, the dual column format is terrible. I have re-posted all the past dual column newsletters as PDF files, and all in the future. You will see in the blog post only a link to open the PDF file.

Find an archive of recent newsletters on my blog, [LifeBalanceB2B.com](#) under heading Newsletters
