### Why BuildABizOnline?

Price is a powerful argument, but there is so much MORE than price that I LOVE about BABO.

- **SHARE CODES** allow you to easily copy a page or template. You can **SHARE YOUR PAGES** with your team or subscribers.
- **SHARE CODES** allow you to quickly replicate pages. I use this to create my **ThankYou/Bonus** pages. I create the **Share Code** for an existing **ThankYou/Bonus** page, create a new page, select the template, and **IMPORT** using the **Share Code**. Edit some minor changes then **SAVE**, and **DONE**.
- I LOVE the **banner creators, graphics tools, and image storage**. I make simple, **UNIQUE text banners** in all the accepted safelist formats in MINUTES. Even if I'm not a fan of posting banners to safelists, I DO use banners on my capture pages and ThankYou/Bonus pages. Takes SECONDS to store them on the Image Storage and copy the URL that makes the web-addressable.
- **Capture Page and Template Builders and Tools** - Thank you Martin - I LOVE these
