Is Clickbank Worth Promoting?

I've mentioned that I have many "side hustles", affiliate programs that do not command too much of my time, but provide some nice bumps in revenue. [Clickbank](#) is one of those side hustles.

I wanted to share some of my own [Clickbank](#) stats:

30-Day Affiliate Income \$21.42

Lifetime Affiliate Income \$4,054.54

I have some automated tools I use to generate traffic for CB products to **MY SUBSCRIBERS**, but rarely promote them directly.

My Exception: Secrets of the Big Dogs entry point,

- the [\\$7 ebook](#), is sold through [Clickbank](#) because CB handles all the payment and subscription operations. You are NOT gonna get rich selling a [\\$7 ebook](#). It is the **Blueprint**.
- **People buy the [ebook](#)**, the blueprint, which triggers Stan's [autoresponder](#) stream to those purchasers that informs about [BigDogs](#), and

- encourages them to move to next stage, **Alpha Dogs**, the **PLAN**
- where they are provided with their **SPONSOR's affiliate links** for each of the **CHIPs**, the **TESTED** and **PROVEN traffic sources** and **commission sources**. This is the **MISSION**.

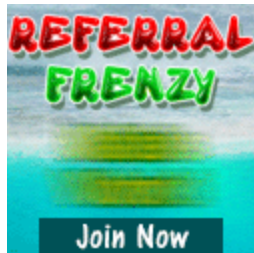

As Jack Bauer says in 24, "**Execute Execute Execute!**"

I want to emphasize that programs like those on Clickbank, JVZoo, and WarriorPlus are **best when you offer them TO YOUR SUBSCRIBERS**, unless you front-end with a **LEAD MAGNET** and **LEAD CAPTURE**.

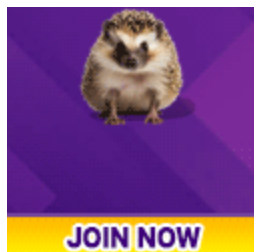

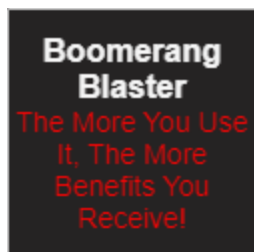

REMEMBER: Do NOT sell on Safelists. Build your LIST on safelists, and then BUILD A RAPPORT with your subscribers, then make offers to YOUR SUBSCRIBERS.

Let me break this down for you...

- You have **8 seconds** to present your offer on safelists. Not enough time to present a sales pitch.
- It takes **7-11 exposures**. Without lead capture, **SOMEONE ELSE** will present those subsequent exposures
- You need to **build a RAPPORT** with subscribers because they **BUY from people THEY TRUST**.
- I promote primarily to the IM Niche. **Safelists target the IM niche**. Choose an appropriate traffic source that targets **YOUR NICHE**, ie weight loss, hiking, etc. **Targeted solo ads** or **social media** may be better for **YOUR NICHE**.
- Offer a **LEAD MAGNET**, a targeted **FREE BONUS of VALUE TO YOUR PROSPECTS** in exchange for their name and email.

New Traffic Sites to Join

- Follow-up with **INFORMATION**, articles, hints and tips, reviews, freebies, hot deals, and **OCCASIONAL OFFERS**. Nobody wants to be barraged with a continuous streams of sales messages.

How Clickbank Maximizer works.

One premium Clickbank tool offered to Silver and PlatinumVIP Worldprofit members called Clickbank Maximizer is pretty cool, and has gotten me many CB sales, but more importantly has captured hundreds of leads added to my list.

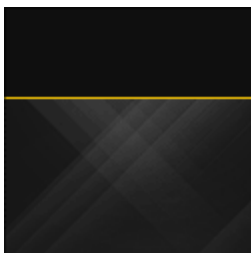

The Done-For-You capture pages offer the download of a **free bonus for looking at a selected CB product** in exchange for a **free subscription that presents another CB product every 2 days**. There is no obligation to purchase that CB product (but some do, even on a trial basis). Many of the CB products have **RECURRING commissions**.

There is another advantage to this for your **CB Maximizer subscribers**. Rather than having to scour the **CB Marketplace** for **products to SELL**, **CB Maximizer** has selected the top products in a particular niche. Just access that product from the **CB Marketplace** for the affiliate materials.

Yesterday's newsletter tells how to set up your OWN autoresponder stream using PLR as the Lead Magnet, and using **55 Clickbank Reviews** as your follow-up stream.

Recommended autoresponder, rotator, and capture page, thankyou/bonus page tools: BuildABizOnline because you can easily replicate these pages.
