Having a tough summer for sales?

You are in good company. Summertime is usually slow to get both signups, for which a (low) percentage become sales, but several of my (normally) high producing colleagues have concurred that this has been a particularly slender year.

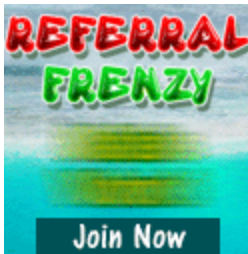

It's curious, because I look at this as a time to refuel, retool, and get set up for better times. So many GREAT DEALS floating out there are DROWNING because people are WAITING, but **WHAT ARE YOU WAITING FOR?**

- **NOW** is the time to load up on FANTASTIC, GROWING traffic sites.
 - Frank Salinas is offering **\$154 in free ads to his 3 sites** if you join for free, and for only \$27, you **get lifetime GOLD upgrades on all 3 sites.** [SIGN UP HERE](#)
 - I am offering an **AMAZING NO COST DEAL**, just for signing up on my list, that GIVES YOU a **1 Year Gold upgrade** on a **new safelist EVERY WEEK for TWO YEARS.** [DUH. Why haven't you done this yet?](#)
 - Dave Mosher has a whole bunch of similar offers where you buy an **Elite upgrade** and get **five 1 Yr Gold upgrades PLUS 100 Supersolos** for only \$49.95. **Worth it for just the Supers**, but these sites are **HOT** and with this OTO, **GROWING** so they are **great opportunities to get referrals and earn 50% commissions**
 - One of my favorite sites [RichyRichMailer](#)
 - Same powerhouse offer on [BlastOffSafelist](#)

- [OutlawMailer](#) OTO#1 is the same offer for US Marshal (Elite equivalent)
- Dave is also offering a **30 day Elite test drive** on [BlueDiamondSafelist](#) followed by a great offer to make that upgrade permanent with monthly ad packs and 50% commissions
- Dave also still has a few left. **5 Elite Safelist Upgrades Only One-Time \$97.00** with BONUS 250 Super Solos Plus EXTRA Bonus From [MasterSafelistBlaster](#) and [FeaturedOffersXtreme](#)
- Marty Petrizza just launched [Boomerang Autoblaster](#) that drives traffic to **her network of high CTR traffic sites**, has **decent referrals commissions** and other money making sites, PLUS allows you to **promote your OWN opportunities**.
- Marty has **3 sites that blast to 12 other sites** without joining them. Traffic sent to the downstream sites from all three of these solo blasters get the advantages of growth on THOSE sites too. Great deals on upgraded packages. **They all earn 40% commissions**.
- - [HogMailerPlus](#) was the first -
 - [ExtraordinarySolos](#) is still growing
 - and [ExtraordinarySolos2](#) is experiencing referral growth from launch surge NOW.

These will provide not only a **good inventory of IMPORTANT TRAFFIC sites** that will set you up for the rest of the year, but **EARNING OPPORTUNITIES** to fill your coffers.

New Traffic Sites to Join

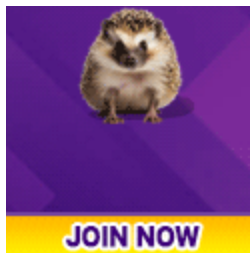

A Whole New World Opens Up to You

When you become a **BUYER**, you are treated very differently than when you are a **FREEBIE SEEKER**. **WHY?** Because you are **investing in the RIGHT THINGS to GROW YOUR BUSINESS**.

Rather than chasing **MAYBE's** and **EASY BUTTON** programs, you need to **FOLLOW THOSE WHO HAVE DONE THIS SUCCESSFULLY**.

- First, you need to **GET TRAINING** on the **RIGHT WAY to do Network Marketing**. My recommendation is always the Worldprofit Silver Membership.
- Skip the newest fad **GET RICH QUICK** programs. Go with **TRIED and TRUE** programs. I chose [Secrets of the Big Dogs](#) because
 - a) you get the full blueprint with **one \$7 ebook**,
 - b) by subscribing as an **Alpha Dog** for only \$10 per month, you get a **complete plan** on how and **what to join, investment levels** to get the **optimum traffic** on the front end, on sites that **PAY at sustainable commission levels** while promoting BigDogs and all the CHIPs.
 - c) The **TOOLS** you need to **build your OWN list**. Create your **OWN autoresponder message streams** to EDUCATE your subscribers and build **KNOW, LIKE, and TRUST**.
 - d) An **attentive leader** that reels in new sign-ups **FOR YOU**, and **coaches YOUR REFERRALS** into Alpha

Boomerang Blaster

Dog upgrades

- e) a diligent program owner who **MONITORS and TRACKS** the effectiveness of CHIPs site traffic, and **modifies the CHIPs selections** to deliver the best traffic and **earnings FOR YOU**, and **YOUR SPONSOR**. We are currently on the 28th edition (in 22 years). Updated CHIPs selections are in progress now.
- Now is the time to get set up with [Nexus Rewards](#), not only to take advantage of **discounts and cash back for back-to-school** purchases, but to **SHARE THESE FREE APPS** so OTHERS can save. You make money when they make money. The bigger opportunity is by **getting your free members to upgrade** for \$10 per month as **PREMIUM members**, where the **REAL DISCOUNTS and CASH BACK** are found.
 - You can make \$34 immediately as a Free member
 - \$40 setup fee plus only \$10 per month for Premium. I was in profit my first month. Does not include the cashback savings for my own purchases.
- [Automatic Builder](#), as a side hustle, is a nice add-on to Nexus Rewards, either with the Nexus Snap business tools or standalone. I get cool \$27 or \$47 direct payments. PLUS, it is a great list builder.

Could not help it. I had to pass this on verbatim. Thanks Sandi.

People are paying for training that Worldprofit gives our Members FREE!

I saw an advertisement for a University offering an 8 week course to become a Internet Marketing Expert. The cost? A whopping \$6,000.

You've likely seen emails and offers where the GURU's are offering you training - they pitch a free starter package - then hit you with an upsell and another pitch, and so on.

Suddenly you find yourself out a pile of money with nothing to show for it, no closer to your business working, you find out later that you still need to buy more and more - it never ends. We've heard from many marketers who've dug deep, spend hundreds and even thousands and have been fed hype, false promise, hand holding then POOF suddenly the company is gone, disappeared into the dark bowels of the web. You are left abandoned with empty pockets.

Worldprofit 's Silver Membership INCLUDES comprehensive, specialized online self-paced instructional training, video assistance, AND LIVE weekly interactive training delivered from George Kosch himself. George knows more then a thing or two about affiliate marketing as a result of being a self-made .com success story, 25 years in the industry, AND the engineer who created many of the tools and software included in your Worldprofit Membership.

In your Silver Membership, we've packed everything you need to start, grow and prosper from your online business. No need to buy another this, or that, or widget or gismo. We do offer OPTIONAL services and more advanced software for the really keen and more experienced marketers, but they are not required.

Use our training, resources, software and tools to promote and GROW ANY and ALL your online affiliate programs, as well as

Worldprofit services. We don't limit you in anyway to strictly promoting Worldprofit services. It's the opposite at Worldprofit, we ENCOURAGE you to use our advertising, software lead and traffic tools to grow your other online interests. We even recommend to you trusted vendors who we know or have worked with for many years.

Worldprofit Silver and Platinum Members get Worldprofit's Bootcamp Training included with their membership and you can earn the designation of being a Worldprofit Certified E-Business Consultant (CEC). That's right we are training our members to be online marketing experts! We don't charge you one extra dime for this training. Our training is taught by real people with real hands on working knowledge (25+ years of experience) of what works and what doesn't work when it comes to marketing and succeeding online.

Worldprofit provides you with:

- LIVE weekly NO HYPE interactive training sessions with George Kosch. George tests the strategies, the advertising campaigns, and builds the tools we share with you. George Kosch and Sandi Hunter, and the Worldprofit Team are constantly working on your behalf to deliver to you the up-to-date skills, the knowledge, the tools and the training you need to successfully build and market your home based business.
- 24 hour access to video training over 125 lessons, watch at your own convenience from wherever you are in the world
- Access the sites, resources, safelists, and traffic exchanges we use or recommend to generate leads including click stats, landing pages, text ads, banner

ads, e-books, newsletter and more.

- You have the option to train to become an online Volunteer Rep as a Monitor in Worldprofit Monitor Network. Best way to learn and understand the power of Worldprofit's unique marketing platform.
- Full Integration of other affiliates, products and services into the Worldprofit system so you can use our software, tools and training to promote even more and generate multiple streams of income.
- EARN while you learn. Through our training you learn how to sell online, how to make money online, selling Worldprofit products and services OR ANY of the other products we offer you - OR ANYTHING ELSE YOU WISH TO SELL TOO!
- We provide regular updates to our materials, software and member resources as needed.
- The skills we teach you in Worldprofit's Bootcamp Training allow you to build and promote ANY online business, and sell ANY product or service.
- Support 7 days a week 365 Days a Year from our online Support System. Submit a ticket, get help. It's our promise.

Listen up though, here's the sad reality. Some Silver and Platinum Members never even take advantage of this training. Why we are not sure. The training is critical to building a successful online business. We teach you what to do, and how to use the included Member resources.

If you're upgraded and not taking advantage of the free training

PLEASE login now and click on the link on the left menu for the Bootcamp Training. Mark your calendar, save the date for the Friday LIVE training. Ask questions, get answers, get on the right track. We are here to help you, are you up to the challenge?

I am making some changes. The newsletters I have posted looked fine as a single column, but on the blog site, the dual column format is terrible. I have re-posted all the past dual column newsletters as PDF files, and all in the future. You will see in the blog post only a link to open the PDF file.
