LeadsLeap Tracker Secrets

LeadsLeap trackers are great. Free members are allowed unlimited trackers, and the statistics are pretty decent. Stats are even more detailed for Pro members, and Pro members can specify their unique shortener stub.

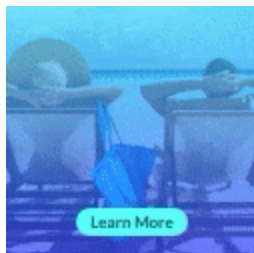

TIP: Be sure to click the checkbox for **Do Not Cloak** if the redirect URL is an affiliate ID.

Use this Swipe to promote LeadsLeap

I didn't create it, but thought I'd pass it on...

I started using **LeadsLeap** in June, but at first, I only used the tracking links feature. That was a huge mistake!

I soon discovered that **LeadsLeap** is an amazing lead generation system.

Once I took the time to explore the platform, I was impressed with the value it offers to all members, even those on the free plan.

The free plan includes:

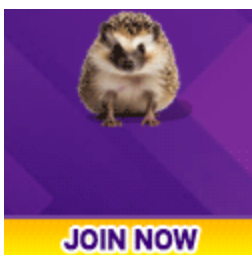

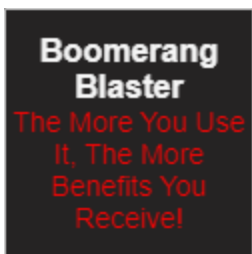

- Link tracker
- Autoresponder
- Page builder
- Popup creator
- Advertise to all members

Upgrading to **Pro membership** has its benefits, of course. It's like having your own advertising service to promote your business on autopilot!

I highly recommend **LeadsLeap** as a reliable traffic source for getting qualified leads for your online business.

I suggest you don't delay joining **LeadsLeap**. Do it now!
