How I Got 42,000 Clicks with This Simple Tool

Hi ~firstname~,

I just had to share my experience with LeadsLeap.

I've been using it for over a year, and in that time, I've gotten over 42,000 clicks on my offers. It's easy to use, packed with tutorials, and the support is top-notch.

If you're new to marketing, LeadsLeap has all the tools and training you need to succeed.

Plus, they have an affiliate program that pays up to 50%, along with a 10-tier traffic credit program for even more free traffic!

LeadsLeap's advertising platform really delivers. It brings in traffic, leads, and sales.

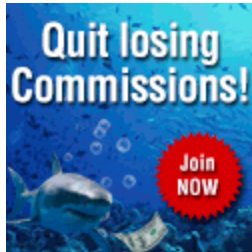

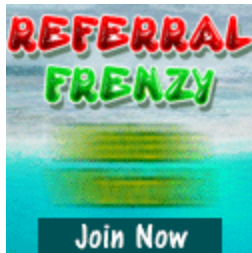

You can start for free, but upgrading to Pro gives you even more value.

Besides traffic, LeadsLeap is packed with useful marketing tools, including a full-fledged autoresponder service.

Most autoresponder services charge more per month than the cost of LeadsLeap, but as a Pro member, the UNLIMITED autoresponder is included at no additional cost!

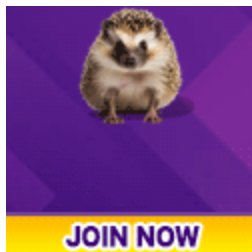

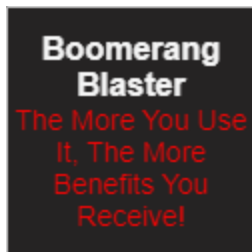

Honestly, it's worth every penny.

### New Traffic Sites to Join

Best regards,  
Rich

=====

NOW...my own experience has been great. IMPORT CODES allow you to quickly get free or low-cost pages, funnels, and as Pro, message streams. I've been using LeadsLeap as an upgraded Pro member for years. My downlines pay for my monthly fee.

---

### AI Generated Videos

I got a fantastic new tool where AI creates my video for me. Invideo.io.

The free version is limited, and has watermarks.

I chose to pay MONTHLY for \$25 per month for 50 downloads, no watermarks. Pay annually, cost per month is \$20.

If interested in trying this tool, [GET IT HERE](#).

I try to keep uniformity in my YouTube Channel (@RichardMoyer1953) so I create a cover slide with Google Slides.
