What Happened to My YouTube Channel?

I dunno. I have TWO channels: my original **@RichMoyer1953**, that was my "archive" - older content that may not be current but still have value, like hints and tips.

Channel **@RichardMoyer1953** is where my latest videos are posted.

Not unexpected, but of course I got no reply to my question. There is no support ticketing system, just a non-responsive, probably AI based chatbot system

An Undisputed Source of STATISTICALLY BASED Join Lists

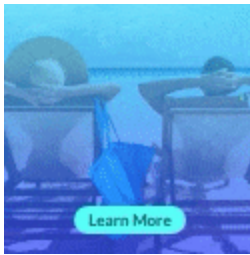

Bill Carr has been providing DATA on sites to join for many years with the **Hoopla** sites.

The latest roles of sites to join was released called [LIST HOOPLA](#), that looks at these sites through the lens of **LIST BUILDERS**.

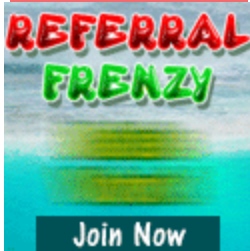

This is your guide to promoting your business!

Laser-Focused! To increase and maximize productivity!

List Hoopla is not only sites to join, but also offers **TOP GRADE TRAFFIC**. There have been so many reviews proclaiming the **QUALITY** of this traffic, justifying the premium price.

Worldprofit Simplified Live Business Center Opportunity

I told you that George and Sandi have made some dramatic changes to the Live Business Center. They are reverting to a simplified model, and want to attract more monitors.

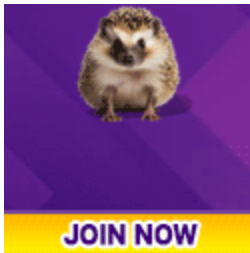

- No more video and audio for camera-shy Monitors. JUST CHAT
- No more streams of messages. Just greet people as they arrive.
- Focus on selling only Silver membership
- Live only offer is 3 minutes. If they don't accept offer, it's gone forever
- No more Free Silver. Pay for Silver, includes Jetpack Traffic

If you have been looking for a reason to do the Silver membership upgrade, THIS may be it. I have earned literally **hundreds of Associates** as rewards for closing sales as a Live Business Center Monitor over the years.

Associates ARE Your Subscribers. Associates MAKE PURCHASES of Worldprofit products, services, and traffic, eBooks, videos, training, and tools from their sponsor's PLR library, join and make purchases from their Sponsor's affiliate programs. **ASSOCIATES ARE \$\$\$!**

For **every monthly Silver sale** closed by a monitor while on duty, the monitor not only earns \$5 commission, but that monitor receives **TWENTY FREE ASSOCIATES**. If that sale is for an annual subscription, the monitor receives \$10.

The **sponsor of the Associate** who purchases the upgrade receives **FULL COMMISSION**, 20% of the \$99.95 **monthly recurring fee** if the sponsor is Silver, or 40% if PlatinumVIP.

Why are these changes significant?

One of biggest deterrents to members signing up to be monitors was **FEAR**:

- **Stage fright** - afraid to appear on camera, shy or afraid of interacting in a LIVE online environment. **NO MORE video or audio**
- **Equipment** - requires a computer or laptop powerful enough for video and audio, requires a headset with microphone. **NO MORE video or audio so this equipment is not necessary**
- **Knowledge** - afraid they don't know enough about Worldprofit or even network marketing. **It is GREATLY SIMPLIFIED.**
- **Time** - a minimum of 3 hours per week. When LIVE ON CAMERA for 3 hours, this could be restrictive. Barking dogs, child interruptions, TV, phone calls, eating, and other normal life didn't portray the best "online image". **Without video, you can take phone calls, potty breaks, let the dog out, eat your lunch, wear a hat or your ratty t-shirt, etc.**

Prior to these changes, I was taught (in the days of Dr. Landt) that **DEAD AIR was BAD**, to the extent that he had monitors reading pages from HIS BOOKS. It evolved to a forum to convey information about Worldprofit products and services, and encourage Live Business Center visitors to learn more and join. On-screen image and behavior was to be positive.

The new strategy is based on the observation that we were **actually scaring prospective associates away**, intimidating them, and overloading them with information.

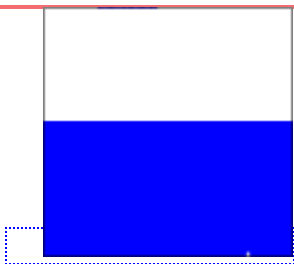

The Live Business Center is now CHAT ONLY. DEAD AIR is

preferred, with only minimal associate interaction. **DO NOTHING IS OK.** Monitors need only a couple supplied Jitbit prompts, and learn how to use **[Windows]+h to do voice-to-text.** Point them to info in their Associate's member area or Support. **Ask for the SILVER SALE,** if they have watched the video with a limited time **Live-Only offer.**

Look, there are **HUNDREDS OF REASONS** to join Worldprofit as a Silver member. The best network marketing training, tools, and traffic, including monthly "traffic injections", and hundreds of promo codes for safelists so you can **spend your time PROMOTING** rather than clicking for credits. You get an **instant list of 100 Associates,** and **one year of JetPack Traffic.**

Worldprofit encourages you to promote your affiliate programs.

Worldprofit is not a BUSINESS OPPORTUNITY, but rather a **BUSINESS PLATFORM** from which you can use the training, tools, and traffic sources to promote ANY and all of your Affiliate programs in addition to Worldprofit memberships, products, and services.

Did you know.. Unlike many affiliate programs, Silver members can sponsor and earn commissions when their downlines upgrade to PlatinumVIP **without having to upgrade themselves.** You continue to earn **20% recurring commission of the DOWNLINE'S MONTHLY FEE** as long as they maintain that membership. If you DO upgrade to PlatinumVIP, **ALL YOUR RECURRING COMMISSIONS** earn **40%,** no matter if the original percentage was 20%.
