Easy Commissions Funnel

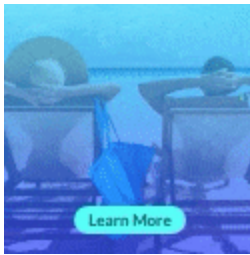

This is a **HUGE** program by Jeff Aman. There are many things to join, pages to import and update, and list messages to import or type in to [LeadsLeap](#). If you take your time, follow the instructions step-by-step, the videos explain how to set up each

First, I want to set some expectations. Ignore Jeff bragging about how much money he has made. **Unless you have the TIME, MONEY, and LIST that Jeff has, DO NOT EXPECT THE SAME RESULTS.** I CAN say that I am at least **":break even"** as far as out of pocket expenses go, but the value is in the **list building**, that gets subscribers to THIS NEWSLETTER and the subsequent commissions I get from my own affiliate sales.

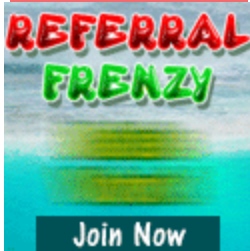

If you like what you see here, **don't cherry-pick**: start from the beginning, and [USE MY LINK to sign up for ECF](#) so all the downstream sign-ups and resource pages fall in line.

You CAN start out for almost no investment, but let's do a reality check.

- The **ECF funnel pages** and **message streams** are free
- You can start out with [LeadsLeap](#) for free
 - I do recommend the **LeadsLeap Pro upgrade** that gives you "unlimited everything"
 - There are discounts available if you upgrade within the first 24 hours after joining [LeadsLeap](#)
 - **Pro members have the ability to import the Done-For-You message streams.**
 - **Pro members earn 50% commissions**
 - There are so many other free or low-cost Done-For-You funnels available for [LeadsLeap](#) giving you multiple streams of income that can justify the Pro

upgrade

- The reason Jeff created this was to boost **LiveGood** sales. You must be an upgraded member of **LiveGood** to earn commissions. For me, I don't use or promote **LiveGood** products separately, but I have built downlines that pay for my **LiveGood** monthly fees and then some.
- **The free training is enough to make it worthwhile,**
 - especially training on using Login Ads. This is **THE MOST EFFECTIVE ADVERTISING YOU CAN BUY.**
- While somewhat pricey, the M3 Inner Circle package is not only a great traffic source with ViralURL and other sites, but the **AUTOMATION** you get with TrafficZipper is absolutely **WORTH IT!**
- Jeff provides excellent resource pages and, while it may take awhile to complete set-up, **JUST TRUDGE THROUGH IT!**

and SO Much More!

There is SO much I DO LIKE, and it has been a great list builder for me. My Commissions are paying the bills

What I Don't Like About ECF

- Jeff bragging about how much money HE HAS MADE
- SO many changes and additions.
- Always adding new programs to join
- Very complex setup - **I CAN HELP YOU**

Verdict: If you are willing to **COMMIT, INVEST, and**

The cherry on top? You can sign up for this amazing system **totally free** of charge, with zero hidden costs, [upsells](#), or surprise upgrades.

Just to clarify, the **HYPE** states that **THEY pay YOU** for using their system. It's an all-round beneficial arrangement.

Envision what lies ahead! You're just a few steps from cultivating an extensive email list while [MAYBE] simultaneously earning money.

This is not merely an opportunity - it's a ticket to reshape your financial **LIST BUILDING** destiny.

THE CATCH: You get paid \$10 per 1000 referrals, so you need to be an **VERY ACTIVE LIST BUILDER** to get paid.

I don't want you to sign up for the money! I want you to **GET YOUR DOWNLINES TO PASS UP EVER OTHER OF THEIR REFERRALS TO YOU!**

Why hold back? Don't let this golden chance dissipate!

Sign up for an invitation to join **FreeListMonster** today and embark on your path to worthy benefits.

I've been working with Craig Haywood for many years with [EasyCash4Ads](#) and [SoManyHits](#). I've made lots of commissions, and have quite a few downlines. I expect the same of this venture.

ALL MEMBERS of [The Click Generator](#),

PLEASE NOTE: You do not have to promote The Click Generator.

If you joined just to get traffic to your links, great! No need to worry about watching training related to promoting TCG. Just click on the "Submit Link" button to submit your website.

That's all you have to do to get the value from your membership.

 If you'd like to build your email list and make commissions with The Click Generator, Use the complete step-by-step guide. 

AFFILIATES: ALWAYS PREQUALIFY THE TRAFFIC 1ST

Example: **Your list should click on YOUR page first.** And this first page should be a bridge page, splash page, squeeze page, bonus page or review video, etc then click 1 more time.

And that **2nd click should be your affiliate link.** Not your 1st click.

This is called pre-qualifying/ pre-selling the traffic.
