## 365 Subject Lines

Frank Salinas has given free access to his [list of subject lines](#) designed to be thought provoking, trigger interest, or elicit a response.

I personally would use these with **ChatGPT** to create 5 unique subject lines of my own. For example, here is a prompt I created using one of them as an example:

create 5 subject lines like This trick will blow your mind..

### ChatGPT Results

1. **\*\*You won't believe what happens next...\*\***
  2. **\*\*This secret will change everything...\*\***
  3. **\*\*Prepare to be amazed by this simple hack...\*\***
  4. **\*\*What you're about to learn will shock you...\*\***
  5. **\*\*This one trick has everyone talking...\*\***

## While We're Looking for Nuggets to Feed ChatGPT...

Sign up for my [Home Business Tips Newsletter](#). This was my first and longest running newsletter, with 300 days of tips, written by internet millionaire Stone Evans.

These tips are so good that I signed up for my list myself, and I saved each email in a Gmail folder (Label). If I'm ever in need of ideas for any number of reasons, I pick a random email from that folder, and write something on one of the "Ten Best..." suggestions in that email. Something I learned in a creative writing course...

Lately, I will use one of the ideas as a **seed for ChatGPT**, or create a video on the topic with **InVideo** then post it to my YouTube channel, and drop that video in several Home Business Facebook groups.

**Get Creative. Get Busy.**
