It is Election Day in the USA

I am not making this a political statement, nor will I reveal my voting choice.

My vote-by-mail ballot was dropped in one of the authorized, secure county collection boxes on the first day mail-in-ballots were accepted in Pennsylvania, so my choice has been made, and I fulfilled my civic duty as a American. I received an email acknowledging receipt of that ballot the next day. Easy-Peasy

Just understand that this has been a divisive campaign, and the ONLY WAY to make change, one way or another is to VOTE.

Do YOUR CIVIC DUTY. Make YOUR Choice. VOTE.

Here is the prompt used to create the above graphic:

Create an image with silver stars, fireworks, american flags on a blue background with a centered 2 line white banner with "VOTE" in bold red letters on the first line and "November 5, 2024" on the next line in bold blue letters

Getresponse Subscribers will get PDF

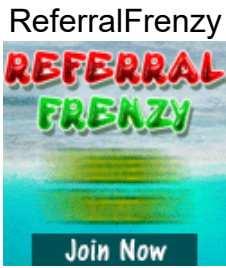

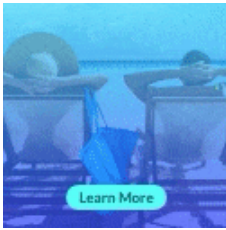

The spam analyzer in Getresponse is going crazy, and will not allow me to send my newsletters. None of my other autresponders or SEO are acting the same, so I'm going to attempt just sending a link to my blog, that has a PDF and text-version.

In case you want PDF files and archives of my newsletters, go to LifeBalanceB2B.com, under **Newsletters**

Dave Mosher's Safelists With The Highest Number of Active Members

As admin of 264 of Dave Mosher's 300+ safelists, I have access to insider information about memberships and activity. I know which sites have not only the most active members, but also know where members are posting ads (because I approve them every night, 7 days a week)

Here is [my list of sites to join.](#)

Now, from a strategy standpoint, THESE are also sites where I see the most benefit in upgrading!

Why Upgrade and Promote these sites?

- More Eyes on YOUR ads
- **Higher commissions** (up to 50%) when your referrals purchase ads, OTOs, Login Offers, Supersolos
- You receive credits **when referrals login**
- You receive credits **when referrals earn credits**
- YOU can **win up to 6000 credits per day**, and encourage YOUR REFERRALS to do the same
- **Enter Daily Contest** for credits and to win free ads
- **Active Members Receive Monthly Ads**
TIP: Login to each safelist at least once per month to qualify as an Active Member so you receive your monthly ads

For Each Site on the List

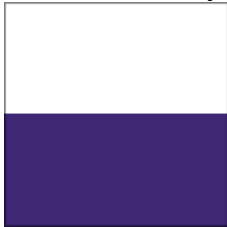

1. **Join for Free**
2. Receive a **Free Ad Pack for Joining**
3. Redeem **Promo Code newmember**

150Mailer

4. Redeem **Exclusive Promo Code** from [Advertising Blowout](#)
5. Set Up your Profile
 - Upload your **PICTURE** (not an avatar)
 - Set up your **PAYMENT METHODS**
 - Get your promo materials from **MemberTools!ReferralTools**

6. **PROMOTE PROMOTE PROMOTE** because you **EARN 50% Commissions** as Elite when your referrals purchase ads, OTOs, Login Offers, Supersolos
 - When you get referrals, **POST TEXT ADS** because your referrals **SEE YOUR TEXTLINKS every time they login!**

Promoting Safelists

Yes, you COULD just post your affiliate links or splashpage, but then you would be **MISSING OUT** on the **MOST IMPORTANT ASPECT** of Network Marketing... **LIST BUILDING!**

Remember, 7-11 Exposures?

If you want to do this right, put a **Lead Capture Page** before redirecting to your affiliate URL/splashpage, or Thankyou/Bonus Page

- Get a free account at [LeadsLeap](#)
 - As a free member, **LeadsLeap** has excellent tools, and is a good **LIST MANAGER**, but **you would be limited**, and would forego the most important feature: the **AUTORESPONDER**.
- or (my recommendation) [BuildABizOnline Pro](#) or **Pro Executive**
 - There are free DFY Campaigns you can import
 - There are tons of capture page templates
 - I can supply **IMPORT CODES** for my **Thankyou/Bonus Page Template**.

With BABO, you take the time to **DO THIS ONCE**, and you can generate **SHARE CODES** so you can quickly **REPLICATE** your capture and ThankYou/Bonus Pages to create lead capture for another site.

TIP: Give away free promo codes by including **Advertising Blowout** on every **BONUS Page**

My Gift to You... Share Codes for my Largest Safelist Page

- Open **BABO Simple Splash & Capture Page Builder**

- Create a new Splash Page (give it a name like **Largest Safelists**)
- Select the **BLANK** template
- Go back to **Simple Splash & Capture Page Builder** main page and locate your new page (at the bottom)
- Click Import a Splash Page with this Splashpage ID and passcode
 Splash Page ID: **16786**
 Passcode: **0m4v9k3**
- **In Settings**, click on each banner and update URL with **YOUR affiliate URL** for the site
- Update the "All These Free Tools" banner with your **BABO affiliate URL**
- Update the [Advertising Blowout](#) banner with your ABO Affiliate URL
- Delete or substitute other banners at the bottom
- Create an **About Me** page or delete the link
- **SAVE**. Click **View Your Splash Page** to obtain the page URL
- Promote THIS PAGE to YOUR LIST.
- Create a CAPTURE PAGE to promote on safelists and traffic exchanges, with THIS PAGE as your redirect after the prospect verifies their email.
