Promoting FastForcedProfits

There is ad copy, banner images, and text ads under Affiliate Marketing in your back office.

I used ChatGPT to create my ad copy. I asked ChatGPT to rewrite one of the text ads. I also asked ChatGPT to create 5 subject lines.

I'm not a fan of banners. I recommend **ACTIVE TRAFFIC** like Credit Mail, Solos, and Supersolos, and the most effective ads, **Sponsor Login Ads**. For sites where you have referrals, post Textlinks.

Use only the landing pages on your Dashboard during Pre-Launch.

I created a 600x300 **Login Ad Graphic** you can use for Pre-Launch promotions of FastForcedProfits. You may copy to your own banner hosting site.

Even Though I'm Not a Fan of Banners...

For your 600x300 Login Ads, and if you want to post 468x60 banners and 125x125 buttons, I recommend using a **banner tracker** for the banner URL (like [HitsConnect](#)). That way, when the graphic changes on December 1st from Pre-Launch to JUST LAUNCHED, you don't need to update every site where you placed an ad using the graphic, you just update the banner tracker in HitsConnect with the new banner URL.

This saved me during the extended power outages in Texas last year. All my banners were hosted on a server in Texas, but I had a backup on another server in Seattle. All I had to do was change the Target URL in HitsConnect to point to that same banner using the Seattle domain name in the URL. It took about an hour (we're talking HUNDREDS of banners) to update them in HitsConnect. All my banners became operational, when everybody else's banners did not work for days.

I strongly recommend **HitsConnect**, not only as a banner tracker, but also for URL masking and tracking using the superior tracking data available as an upgraded member.

Another cool feature available to upgraded members is the **BANNER ROTATORS** (ten of them). Huge time saver. I post only the banner rotator URLs and clone for as many banner slots I have available to post. Every time the banner URL is accessed, a different banner and corresponding target URL are substituted. I create one rotator for 468x60, one rotator for 125x125, and one rotator for 600x300. When I add a new banner in HitsConnect, I just add it to the appropriate rotator. No need to promote that banner on individual sites. This gives me the flexibility to add or drop banners at any time through HitsConnect while never having to login to update banners on any safelist once the rotator links are posted.

HitsConnect is one of the **BigDogs CHiPs**. [Join HitsConnect HERE](#)

Another Banner Rotator

I've told you about tools I use for automation with TrafficZipper. Two other features are a **URL Rotator** and a **Banner Rotator**.

More Site Conversions Mean More Upgrade Bargains

Dave Mosher has a lot going on, and it could be confusing.

- There are AMAZING offers with [FastForcedProfits](#)
 - Get a PROMO CODE to a specific site good for a **1-year Elite upgrade** (or a Triple pack of 3 PROMO CODES good for 1-year Elite upgrades) **per month** for \$9.95 each
 - You get **11 months of that 1-year Elite upgrade FREE** for each slot
 - No Supersolos are included
 - You get **FULL PRIVILEGES**, 50% Commission, monthly ads, for that whole year from initial upgrade date
 - **Until December 1st**, you can only **RESERVE** 1 or 3 slots for \$1 or \$3 respectively
 - You cannot start paying the monthly subscription of \$9.95 or \$29.85 until December 1st
 - **At the end of the 1-year Elite upgrade**, you revert to a FREE member, or continue Elite at \$9.95 PER MONTH for EACH SITE.

- [Offer #10: Ultimate Mega Sale](#)
 - these offers are for **multiple one-time purchases from a list of 40 specific sites** being converted from Instant Commission to the latest traditional safelist script
 - **5 Lifetime Upgrades are being offered**
 - You Get 5 Upgrades For The Price Of 1!
 - **5-Gold Upgrades With 60 Super Solos ONLY \$37.00 + 2 MSB + 2 FOX ad packs**

 - Gold = Gold at 30% Commission

 - Commissions on **Instant Commission sites** use a **PASS UP method** whereas new script commissions are straight "**percentage of amount**" method

- [Conversion Sale #10](#)

- Lifetime Elite Upgrades only offered on 5 specific sites
[AdexchangePower](#)
[AdvertisingFreeway](#)
[Adz-2-Cash](#)
[Aplus-Ads](#)
[BatterupTextAds](#)
- **5-Elite Upgrades** With **250 Super Solos** ONLY \$97.00 + **6 MSB solos**
- **3-Elite Upgrades** With **60 Super Solos** ONLY \$30.00 + **2 MSB solos**
- **1-Elite Upgrade** With **60 Super Solos** ONLY \$10.00

Which would I choose?

Well, my situation is different than most. I already have upgraded to VIP or Elite on many sites, and just purchased a ton of supersolos, so I am going for the [FastForcedProfits](#) deal for the income.

For someone starting out, I would recommend **building your resources** and **start building a LIST** and at the same time, **building your referral downline AND income** through the **2x12 matrix** and bonuses with [FastForcedProfits](#). If budget constrained, reserve **ONE SLOT for \$1 NOW**, which would translate to \$9.95 after launch, but the recommended route would be to reserve the **3 slots for \$3 NOW**, which would get you 3 1-year Elite memberships every month for \$29.85. At the end of 12 months, you would have 36 Elite memberships with rolling expiration dates. Be sure you start promoting [FastForcedProfits](#) NOW to start filling your matrix.

For someone who is looking for powerhouse advertising, [Conversion Sale #10](#) with Lifetime Elite Upgrades only offered on 5 specific sites would be my recommendation to get **250 supersolos and 6 solos** at [Master Safelist Blaster](#)

Of course, to build your list, **YOU MUST FRONT-END with a CAPTURE PAGE** then redirect to a **Thankyou/Bonus page** or your affiliate URL for the site you are promoting. It is not hard with [BuildABizOnline](#). Use one of the **Done-For-You campaigns** for follow-up messages. I can help with **SHARE CODES for capture pages** and **ThankYou/Bonus pages**. Offer free promo codes with [Advertising Blowout](#) as a bonus on your [Thankyou/Bonus page](#).

Why ELITE Upgrades Are The BEST!

- the **highest number of credits** per click

- when converted to the new script, Elite Members will find a **BONUS Area** where they get **5 Safelist 1-Year Gold Upgrades** in the Member's Area (a \$185.00 BONUS for Elite Members).

TIPS:

- Monthly Ads/Credits are added for **ACTIVE MEMBERS**. You must login to the site at least once every month
- Always click the **Enter Contest** button at the top of the menu. Get credits for viewing the ad, and **win free ads**
- Always **check the box** on credit ads to send free to your referrals
- If you have referrals, **be sure to post TEXTLINKS**. Your referrals will see a page at login of **YOUR EXCLUSIVE TEXTLINKS**
- Always redeem promo code newmember
- Join sites from the **Affiliate Builder** page in [Advertising Blowout](#), then grab the **exclusive ABO Promo Code** from the **Promo Code pages** (use Ctrl+f to search for the site name)

Jeff Aman's Advice about [EasyCommissionFunnel](#)

Just grab your link → share your link → make \$ → get better and better at sharing your link → grow your \$ bigger every month → have a blast doing it.
