### Getresponse Subscribers will get PDF

The spam analyzer in Getresponse is going crazy, and will not allow me to send my newsletters. None of my other autresponders or SEO are acting the same, so I'm going to attempt just sending a link to my blog, that has a PDF and text-version.

In case you want PDF files and archives of my newsletters, go to [LifeBalanceB2B.com](http://LifeBalanceB2B.com), under **Newsletters**

## Easy Commissions Funnel

This is a **HUGE** program by Jeff Aman. There are many things to join, pages to import and update, and list messages to import or type in to [LeadsLeap](#). If you take your time, follow the instructions step-by-step, the videos explain how to set up each

First, I want to set some expectations. Ignore Jeff bragging about how much money he has made. **Unless you have the TIME, MONEY, and LIST that Jeff has, DO NOT EXPECT THE SAME RESULTS.** I CAN say that I am at least **":break even"** as far as out of pocket expenses go, but the value is in the list building, that gets subscribers to THIS NEWSLETTER and

## New Traffic Sites to Join

the subsequent commissions I get from my own affiliate sales.

If you like what you see here, **don't cherry-pick**: start from the beginning, and **USE MY LINK to sign up for ECF** so all the downstream sign-ups and resource pages fall in line.

You CAN start out for almost no investment, but let's do a reality check.

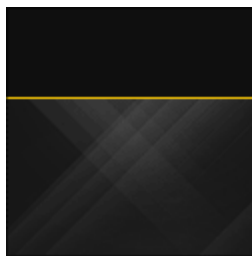

- The **ECF funnel pages** and **message streams** are free
- You can start out with [LeadsLeap](#) for free
  - I do recommend the **LeadsLeap Pro upgrade** that gives you "unlimited everything"
  - There are discounts available if you upgrade within the first 24 hours after joining **LeadsLeap**
  - **Pro members have the ability to import the Done-For-You message streams.**
  - **Pro members earn 50% commissions**
  - There are so many other free or low-cost Done-For-You funnels available for **LeadsLeap** giving you multiple streams of income that can justify the Pro upgrade
- The reason Jeff created this was to boost **LiveGood** sales. You must be an upgraded member of **LiveGood** to earn commissions. For me, I don't use or promote **LiveGood** products separately, but I have built downlines that pay for my **LiveGood** monthly fees and then some.
- **The free training is enough to make it worthwhile**,
  - especially training on using [Login Ads](#). This is **THE MOST EFFECTIVE ADVERTISING YOU CAN BUY.**
- While somewhat pricey, the [M3 Inner Circle](#) package is not only a great traffic source with [ViralURL](#) and other sites, but the **AUTOMATION** you get with [TrafficZipper](#) is absolutely **WORTH IT!**

- Jeff provides excellent resource pages and, while it may take awhile to complete set-up, **JUST TRUDGE THROUGH IT!**

and SO Much More!

**There is SO much I DO LIKE**, and it has been a great list builder for me. My Commissions are paying the bills

### What I Don't Like About ECF

- Jeff bragging about how much money HE HAS MADE
- SO many changes and additions.
- Always adding new programs to join
- Very complex setup **I CAN HELP YOU**

**Verdict:** If you are willing to **COMMIT, INVEST, and PERSEVERE**, YOU can succeed with [Easy Commission Funnel](#).

### FreeListMonster is LIVE!...

I recommend promoting the **SPLASH PAGES** rather than your raw or cloaked affiliate URL. With the Splashpages, the viewer must click anywhere on the splashpage to be shown the video page. I've had challenges in the past with video pages. This also helps to "thin the herd" and **PRE-QUALIFY sign-ups**.

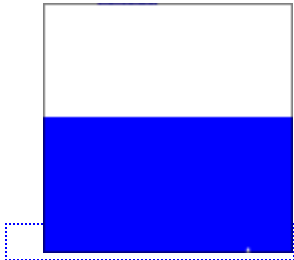

The recommended autoresponder is [GetResponse](#) because there are great built-in campaign and list integrations programmed with **FreeListMonster** .

EasyCommissionsFunnel

TheClickGenerator

**NOTE:** You can sign up for a free **Getresponse** account, but it is limited.

I normally don't recommend commercial autoresponders like **Aweber** or **Getresponse** because they get more expensive as your list grows and you add features. **EXCEPT...** when there are integrations that make it easier to set up, campaign imports, and list management features that make sense.

**It's for THESE reasons I've been hanging on to Getresponse all these years**, and yes, paying lots of money to do so. I just don't build any new campaigns on **Getresponse** unless there is a clear advantage. Most of my new campaigns are built with BuildABizOnline, the WorldProfit autoresponder, or LeadsLeap.

Because of the potentially high autoresponder costs, with **Getresponse**, I **STRONGLY recommend** some kind of **PRE-QUALIFICATION** and **LIST CLEANSING STRATEGY** to keep the looky-lous and dead-heads to a minimum.

I also recommend monetizing **FreeListMonster** with:

- in **Money!Monetize Your Account**, sign up for [EasyCash4Ads](#) because it links sign-ups back to **FLM** as paid members, Dozens of unique thought-provoking splash pages that can be used as Pre-qualifiers for any affiliate program
- Inside **EasyCash4Ads** join [SoManyHits](#) because it is a great corollary to **EasyCash4Ads** and traffic source
- In **Traffic!TheClickGenerator**, I cannot beat the annual 20% discount and promo code, but if you want to go with the monthly subscription [sign up for \\$5 per month](#), then promote it
- in **Traffic!SecondSplash**, sign up for a [free account](#) and promote it

- in **Traffic!HandsFreeAdvertising**, have your ad sent to 35,000 per day for 1 year for only \$19.95 then become an affiliate at [Mail Your Offer](#) by Dawud Islam.
- become an affiliate at [Getresponse](#), and
- monetize your campaigns with PS messages and post-signature links (like the ones above)

**TIP: FreeListMonster** affiliate tools include 8 splashpages, and also includes a **SPLASHPAGE RANDOM ROTATOR** so you don't need to use a third party rotator. Just promote this one link (but cloak it with SoManyHits so you not only get tracking, but generate SMH traffic).

**Watch the video.**

Understand that **YOU ARE PASSING UP every OTHER lead.** But this becomes a **WIN-WIN if YOUR DOWNLINES THAT YOU KEEP also PASS UP EVERY OTHER LEAD TO YOU.**

Make a mere 5 personal referrals and unlock the first installment of **Sneaky List Building Secrets.**

**The PayOff:** You get paid \$5 for your first 100 referrals, and a **bonus of \$40**, so you get \$45

Again...

**I don't want you to sign up for the money!**

I want you to **RECRUIT YOUR BUNS OFF to GET YOUR DOWNLINES TO PASS UP EVER OTHER ONE OF THEIR REFERRALS TO YOU!**

Sign up for **FreeListMonster** today and embark on your path to worthy benefits.

**Personal Note:**

I've been working with Craig Haywood for many years with [EasyCash4Ads](#) and [SoManyHits](#). These are also low cost programs with pass-up referrals. **EasyCash4Ads** has dozens of unique splashpages that can be used with any program, for a one-time cost of \$19 and pays \$10 commission for referrals. I've made lots of commissions, and have quite a few downlines. I expect the same of this venture.

**AFFILIATES: ALWAYS PRE-QUALIFY THE TRAFFIC FIRST**

**Your prospects should click on YOUR page first.** And this first page should be a bridge page, splash page, squeeze page, bonus page or review video, etc then click 1 more time.

[EasyCash4Ads](#) is a low-cost source for splashpages at a one-time cost of \$19. These pages are unique, thought-provoking, even silly. By appending your affiliate URL or capture page URL on the command line, this is a no-programming way to quickly convert any affiliate program to have a Pre-Qualification page.

And that **2nd click should be your affiliate link.** Not your 1st click.

This is called **pre-qualifying/ pre-selling** the traffic.

**Free Mailer Manager Tool**

A popular tool at [BuildABizOnline](#) is the **Mailer Manager** that allows you easily **manage all your safelists and viral mailers**.

You can keep **track of the number of credits** you have at each mailer and **when you last sent** a mail and **if your next mailing is due**.

You can also **store all your mail templates** in either text or HTML format and easily copy and paste them into your mailers to send.

As a **free member at BABO** you can **track up to 20 mailers** and **store up to 10 mail templates**.

If you are a **Pro Plus** (\$10/month limited) or **Pro Executive** (\$14/month UNLIMITED) at BABO then you get access to a version with unlimited mailers and mail templates.

### **BuildABizOnline Membership Deals**

Get a **14 day trial of Pro Executive** membership for \$1 that includes full unlimited access to 30+ tools. [GET \\$1 TRIAL HERE](#)

Also, **full Pro Executive members** can join the **BuildABizOnline Team Build** that will **GIVE YOU** two paid Pro Executive members in **YOUR DOWNLINE** so you earn **\$10 each per month**. That **PAYS YOUR PRO EXECUTIVE MEMBERSHIP** and **puts YOU in PROFIT \$6 per month**. There is no cost for the Team Build, but you are required to **deliver 200 hits per week** to the Team Build URL (your supplied unique tracker URL). [Join the Team Build](#)

### **Newsletter Subscriber BONUS:**

I can provide **share codes** for **capture page templates** and **Thankyou/Bonus page templates** for my Newsletter

subscribers. **ASK in an email.** Set-up is only a couple quick steps.

- Create a new splash page with a blank template
- Import using the share codes,
- customize for YOU,
- then save as YOUR Templates.
- Generate your OWN share codes so you can easily duplicate pages for each new project.

You must be either **BABO Pro Plus** or **Pro Executive**.

Because you are already my Newsletter subscribers, you do NOT need to be in my BABO downline (but it would be nice if you are).
