Heads Up about Easy Commission Funnel Registration Pages

I sent about a dozen Supersolos over the weekend, only to see NO clicks or signups. When I originally submitted them, I saw the expected display of my registration page, but today, when I manually submitted solo ads in several safelists, they failed the framebreaker test.

I swapped out my registration URL for the LeadsLeap rotator for my **bridge pages** (the most recent pages with the testimonials that Jeff added to the Resource pages), and that got it past the framebreaker. Because the bridge pages all sent prospects to the registration page when they clicked the orange button, all is good. The Splash Pages will work the same.

So... to summarize

Get the latest bridge pages and splash pages from the **ECF back office Promo Materials**. At the bottom of each page is the share code.

Create your pages in [LeadsLeap Page Manager](#) using the share codes.

Update each page yellow button with YOUR registration page URL, found in the **ECF back office Your Affiliate URLs**.

Extra credit: Add your bridge pages and splash pages to a rotator in LeadsLeap. Promote using the **Rotator URL**

Done For You, 5 Guaranteed Personal Subscribers At MyIMPartners. Login Offer #2

I cannot stress enough what a GREAT DEAL this is!

If all 5 Guaranteed Subscribers choose just the **\$14.95 per month membership**, at **50% commission**, that's \$7.48 per month x 5 Referrals = **\$37.38 per month in Residual Commissions!**

If all 5 Guaranteed Subscribers choose just the **\$29.95 per month Upgrade** (that includes the AI Package), that's \$14.98 per month commission x 5 Referrals = **\$74.62 per month in Residual Commissions!**

IMHO, it is more likely that most will take the **\$14.95 per month option**, but still, as a **one time \$200 investment** before December 2nd, you would have an **ROI of 6 months**, and you are getting a **LIFETIME UNLIMITED AUTORESPONDER with the AI PACKAGE.**

THIS IS WITHOUT RECRUITING A SINGLE PERSON!!!

AND... if you **PROMOTE MyIMParters** and get MORE REFERRALS, that's **at least \$7.48 per month commission for each referral**

Dave Mosher is Running a Daily Deal. [BOOKMARK THIS PAGE.](#)

Now through at least the end of the year, Dave will be posting a new **Daily Deal** with huge savings and lots of traffic. So you definitely want to bookmark this page, as he will update the page daily, **Sunday through Friday** (no update on Saturday).

Once the page is updated with a new Daily Deal, **the previous day's deal is off the table**. It may be a discounted upgrade offer, a Super Solo Package, etc.

I will try to post these to my newsletter daily. If you join from my newsletter link, you will **MY REFERRAL**

These Daily Deals can only be purchased from the Daily Deals page.

For example, today's **Daily Deal** is for **MoonlightingSafelist**

- Get an **Elite Upgrade** with **50 Super Solos** for \$21.00

Tomorrow morning, it will be a whole new offer.

To get this deal with ME as your sponsor,

- join **MoonlightingSafelist**
- then go to the **Daily Deal page** to purchase your upgrade
- Submit a **Support Ticket** with your Username, Site, Purchase date, and package you purchased

- Redeem Promo Code **newmember** for another ad/credit pack

 - Go to each of the **Free Promo Code pages**, and search each page (**Ctrl+f**) for the site name until you find it (do not include .com or .net in your search, just the root of the domain name)
 - **Copy that exclusive promo code (Ctrl+c)**, and **REDEEM it** on the main page in your site member area by pasting it (**Ctrl+v**) into the **Redeem Promo Code** box.

TIP: If I were challenged to get 1000 credits quickly, how would I do it?

View Supersolos during Happy Hour.

Supersolos yield the highest point credit of all the credit ads.

Happy Hour will **MULTIPLY** your ad credits **2X** or **3X**. Happy Hour times vary on each site.

TIP: If you want a quick way to see your Supersolos, Solo Ads, and Credit Mails on any particular site without having to login to that site, get in the habit of using [MasterSafelistMails](#). Your last 5 emails can be viewed there. (This is not **MasterSafelistMailer**, the Daily Deal from the other day).

It takes a little time and discipline to set up [MasterSafelistMails](#), but **WORTH it for organization** and **SAVES YOUR GMAIL** from slowdowns and bounces.

You can see all of **Dave Mosher's 300+ sites you have joined** all on one screen, your **member level**, and **view your last 50 emails on each site**. Because you stored your userid and password in **MSM**, you can instantly login to each site with a click of the **LOGIN** button.

This takes some discipline. As you join these sites, just click the **checkbox for the site you joined** on the **Select Sites** screen, then it will appear on the **My Sites** screen, where you can enter your **userid** and **password** for that site and click **UPDATE** to store it.

If you change your password on a site, **remember to update MSM with your new password**.

Note: PATIENCE. When you go into **My Sites**, it takes awhile because the software must query each site you have added to **MasterSafelistMails** to update your member level and emails.

The Money is in the RELATIONSHIP and the Follow-Up

I had one of my subscribers call me the other day and ask me a couple questions, and that blossomed into a 30 minute conversation, in which several technical topics were discussed.

This is a great habit I picked up in my years in business, and years as a professional consultant.

I talk on my smartphone, but usually have a computer in front of me. I have **Google Keep** open (or use the **Keep app** on my phone) and jot down things we discussed, and any action or follow-up items.

Generally, after a contact with a subscriber, client, or prospect, I **SEND A FOLLOW-UP EMAIL**, with a short summarized list (usually bullets) of:

- Here's what we discussed
- Action Items
- Follow-up items

First, this shows that you were **paying attention**, and that you considered them important enough to summarize this for them.

The summary will most likely elicit a response, with discussion or corrections to any of your notes, but more importantly, **strengthens your RELATIONSHIP**, keeps the **paths open for further contact**, and **demonstrates your WILLINGNESS to help**.

Hmmm... how could this be applied to your network marketing business?

Organize, Time Management, and Journaling

I grew up in business using the **Franklin Planner**, which was more than just an organizer. It was a METHODOLOGY by **Stephen Covy**, on how to organize and journal your appointments, tasks, notes, and follow-ups. In those days, everything was manually hand written, but EVERYTHING was in that leather-bound 3-ring binder. It was not unusual for me to have several extra "day pages" inserted for longer notes or journal entries.

My "journal" is now in this simple, free little cloud-based notepad application, **Google Keep**, that can be shared, and automatically synchronized between PC (Chrome/browser-based), Notebook (app), and Smartphone (app) platforms.

Keep is included with your Gmail account, and it is FREE.

If you are in need of a Microsoft-Office-compatible, full featured office suite, Google has it, and it is absolutely FREE.

- **Docs** - word processor like MS-Word
- **Sheets** - spreadsheet like MS-Excel
- **Slides** - presentation tool like MS-Powerpoint
- **Keep** - notepad and checklist list organizer
- **Drive** - cloud storage
- **Contacts** - contact manager
- **HTML Editor** - loads/saves to Drive

Most people who pay the exorbitant prices for Microsoft Office only use basic functions, about 10% of the functionality of any of those applications.

I've found that small businesses who are just squeezing by, the **Google Suite** provides all the functionality they need, compatibility, and at **ZERO COST**

A Smart Lifetime Gold Upgrade

Again, if you are looking for a value-packed year-end traffic investment, I continue to see STELLAR growth year after year at Herculist Plus.

Today I sent to **378,930 souls**.

The Lifetime Gold upgrade is \$49.

I've had the discussion about how they are seeing such incredible growth. Since March, 2024, there has been an **increase of 9,500 members**. Dunno. With those numbers, there HAS to be some fresh eyes viewing your ads.

With the Gold upgrade, you can **mail to the full membership EVERY DAY**, and in fact, **YOU CAN EMAIL HOURLY**.

No Clicking for credits. No credits needed to email.

AND, check out the pop-ups for great values on Solo Ads, and highly effective Login Ads
