Say What?

Tired of typing? If you are a Microsoft Windows user, try the **Voice to Text Dictation Tool**.

Just Press [Windows] h. The [Windows] key looks like this.

You will see "Initializing" in a box covering the Bookmark Bar in the Chrome browser. Position your cursor where you want to begin text distation.

One thing to mention is that your computer **LEARNS** the more you use it. I know, just like on my smartphone, the first couple times using it may look like a bad translation from a foreign language, but don't get discouraged.

This is particularly handy if you have lots to type, and don't mind proofreading and editing before sending (although it is pretty cool if you just want to mess with somebody - just send as-is).

From an accessibility perspective, this has helped me tremendously since I have severe neuropathy and arthritis in my hands. I would not be able to produce this newsletter, or do my advertising without tools like **Dictation**, **JitBit Autotext**, **Roboform**, or **Lightning Autofill**.

TIP: If writing a lot, use **Dictation** with an application that **autosaves**, like Google Docs, Sheets, or Keep.

Review of MLGS

MyLeadGenSecret DELIVERS for \$1 per day.

TIP: MLGS has emails in the Affiliate section that can be a great start for a MLGS Autoresponder message stream. Create the campaign, copy the emails, create the capture page. **DONE**. Now **PROMOTE IT!**

I recommend [BuildABizOnline Pro Executive](#), an unlimited autoresponder and amazing collection of essential tools. Pro Executive members qualify to join the **BABO Team Build** that will place **TWO Pro Executive members under you**, which **PAYS for your Pro Executive membership** and puts you **IN PROFIT**. The **BABO Team Build** requires 200 clicks per week, but I was averaging 135 clicks per email sent through MLGS. So, **until you get your TWO Pro Executive members** under you, simply take **two days a week** to promote your **BABO Team Build** tracking link on **MLGS**.

It's more than just an ebook

People are pulling you in every which direction, asking for \$5 here, \$10 there, but they want you to spend **YOUR HARD-EARNED MONEY**, with no idea what you're getting or whether that's just wasted money.

Some days, you think to yourself that you could've gone to Starbucks. Well let me just tell you about a **\$7.00 investment** I would like you to make. And I call it an investment because it's knowledge that you are gaining on a program that's been working and working well for 20 some years.

Stan Stuckinski started **Secrets of the Big Dogs** 21 years ago. He has been making a full time living with this system.

Seven Dollars is not a huge investment but I'm gonna call it investment because it's **necessary to understand the blueprint** before you go ahead and put an action plan together and before you commit to any other out of pocket costs.

How many times do you sign up for something, but have no clue what it is all about, nor what will be expected of you? **The \$7.00 ebook helps you understand what we're doing here.**

Once you **THINK** this might be for you, there's a monthly \$10 fee to become an **Alpha Dog**. This is critical because when you become an **Alpha Dog** you get the **step by step process** of what you need to do to position yourself to get the most amount of quality advertising and earn the most in commissions.

Nobody says they want you to invest in this and put your money here and there. You will know exactly how much you are likely to earn and how much it will cost to get the **TRAFFIC and COMMISSION RETURNS** you expect. **There are NO UPSELLS.**

Once you become an **Alpha Dog**, Stan kicks it into high gear. First, you receive the **Sign-up Module** that lists all the **CHIPs** (**C**oordinated **H**igh **I**ncome **P**ortfolio **S**ources) with **YOUR SPONSOR's Affiliate Links** for those sites. Your BigDogs referrals will then go into Stan's autoresponder that informs, and helps **get the Alpa Dog conversions FOR YOU**.

IMPORTANT: Be sure you join **UNDER YOUR SPONSOR** - you will want **YOUR Alpha Dog referrals to join UNDER YOU**.

YOUR GOAL is to upgrade in the CHIPs sites to the **HIGHEST LEVEL YOU CAN AFFORD**, because that is where you get the **MOST HIGH CONVERTING TRAFFIC** and **HIGHEST COMMISSIONS**. Stan even tells you how to pick selective upgrades within your budget while still making progress towards your goal.

CAVEAT: There is no Easy Button. It will take one day of work to get set up, and a commitment of **30 minutes per day FIVE DAYS PER WEEK** to send your ads to prospects using the CHIPs. It will take **PATIENCE and PERSEVERANCE**

But does it work.? I can tell you that **Secrets of the Big Dogs** does work for me. **I earn commissions every week paid to me by the CHIPs site owners**. Plus I'm sending over **400,000 emails every day using just the CHIPs** without clicking for credits. It takes **LESS THAN 30 MINUTES PER DAY**.

Oh, this strategy also works for other affiliate programs. Promote whatever you like using the **CHIPs**. **BUT...** your goal should be to put the majority of that high converting traffic to attract prospects to **Secrets of the Big Dogs**. Sure, you may get some referrals to your other affiliate programs, but you will miss out on getting the **Alpha Dogs** under you, who are **more likely to join MOST or ALL of the CHIPs**, and upgrade because **Alpha Dogs know Secrets of the Big Dogs**:

**The upgrades on CHIPs result in
MORE TRAFFIC and HIGHER COMMISSIONS!**

**More about FastForcedProfits A.K.A
3 Elite Promo Codes Per Month**

FastForcedProfits is a new way to get top level upgrades that not only stimulate tremendous growth at top quality safelists, but leverage that growth so YOU benefit through **increased advertising power** and **substantial referral and earnings potential**, all built around a 2x12 Matrix with calibrated bonus rewards when you attain certain downline thresholds

Reserve Your Spot Before December 1st

On these sites, a **1-year Elite upgrade would normally be \$9.95 per month PER SITE.**

Now, with **FastForcedProfits** you can reserve a single upgrade slot for \$1 until launch on December 1st. This becomes ONE recurring \$9.95 per month charge starting December 1st. What you get is **ONE new 1-year Elite upgrade PER MONTH** but you are **SAVING the monthly fee for the other 11-months for that ONE YEAR, a savings of \$109.45**

The next month, you will get a **1-year Elite upgrade on ANOTHER site** for \$9.95, that **saves ANOTHER \$109.45!**

If you reserve **3 slots** (for \$3 now) this becomes a recurring \$29.85 per month charge. What you get is **THREE new 1-year Elite upgrades PER MONTH** but you are **SAVING the monthly fee for the other 11-months for that ONE YEAR, on all three sites, a savings of \$328.35**

They have created an amazing **2x12 matrix program** that could significantly cut your Safelist upgrade costs and **PAY YOU!**

So, understand that **during pre-launch, full subscriptions are not accessible.** Instead, you can just secure a **1-Spot position** for 1.00 dollar or a **Tri-Pack** for 3.00 dollars, as we grow our membership/downlines.

You will be given a back office where you will find **affiliate promotional materials.** You can experience real-time growth in your matrix from now up to December 1st, 2024, allowing you to gauge the potential before fully committing to a monthly plan!

PROMOTE PROMOTE PROMOTE

Here's the icing on the cake! When our members hit the 1,000, 2,500, or 5,000 marks, our

monthly safelists will correspondingly rise by 1,000, 2,500, or even 5,000+ members. That equates to **more ad views and clicks** from monthly sites - a level of engagement that hasn't been experienced in YEARS!
