Black Friday offer page, Dave, the default admin will be your sponsor)

TIP: You can employ this same strategy to encourage prospects to join a safelist as YOUR referral. Update **Advertising Blowout Member Tools!Affiliate Builder** with **YOUR REFERRAL URL**, then encourage prospects to **JOIN THAT SITE** from the **Member Tools!Affiliate Builder** page, and retrieve the additional promo code as per my instructions above. You might get a referral for Advertising Blowout in addition to a referral for the site you are promoting.

IMPORTANT TIP REGARDING TAX DEDUCTIONS

Upgrades, subscription memberships, ad purchases, Supersolos, and traffic purchases are **legitimate**

business expenses, that are **tax deductible in the USA** and other countries. **Tax laws favor BUSINESSES.**

Similarly, autoresponder fees, marketing tools, landing pages, lead purchases, business opportunity registration fees, affiliate licenses, training in your business field, ebooks, etc. are also tax deductible.

This is a **LEGAL** way to reduce your taxable income, thus **REDUCING THE AMOUNT OF TAX YOU PAY TO THE GOVERNMENT**, or **INCREASING YOUR TAX REFUND.**

Business expenses **offset any tax liability** from any business income earned.

Sales are regular income, but **residual income from COMMISSIONS** is **PASSIVE INCOME** and taxed at a lower rate.

In the USA, file the **1040 long form**, and use **Schedule C** to record your business income and expenses.

Year end strategy should be to **LOAD UP** with traffic deals, as tax deductions on your 2024 taxes, **as long as the TRANSACTION is in 2024.**

If you **PAY WITH A CREDIT CARD** (not a debit card or pre-paid card), or use **PAYPAL CREDIT** to delay payment of your purchases, you can actually **PAY that credit card balance in 2025 or later** even though the purchase was made in 2024.

Do your research or consult your tax advisor. It might save you THOUSANDS.

Dave Mosher is Running a Daily Deal. [**BOOKMARK THIS PAGE.**](#)

Once the page is updated with a new Daily Deal, **the previous day's deal is off the table**. It may be a discounted upgrade offer, a Super Solo Package, etc.

I will try to post these to my newsletter daily. If you join from my newsletter link, you will **MY REFERRAL**

-

Why Upgrade on **Safelist** Deals?

- **SUPERSOLOS!!!!** THIS is how I send **1-2 MILLION emails per day** to get DAILY SIGN-UPS to my affiliate programs and newsletters
- Each one of these upgrades include **MONTHLY Ad/Credit PACKS** for **ACTIVE MEMBERS**
- **Expand** the number of eyes who **SEE YOUR ADS**. More places to advertise. Send to more members as an upgraded member.
- All the free ad/credit packs, monthly ad/credit packs, and promo codes mean **LESS CLICKING FOR CREDITS**.
- Upgrades set you up to **get MORE REFERRALS**, and **EARN MORE COMMISSIONS** when you promote these sites
 - You also **earn CREDITS** when your referrals login, and when they earn credits.

- You can be sure your referrals always receive **YOUR CREDIT MAILER** emails by **checking the box when sending credit mails**
- Your referrals will always receive **LIST MAILER** emails that **YOU** send because they will have joined **AFTER YOU**.
- **Enter Text Ads** because **YOUR REFERRALS** are shown a screen of **EXCLUSIVELY YOUR TEXTLINKS** when they login

- **Traffic is always a great Lead Magnet** to get referrals.
 - **Front-end with a capture page** to your favorite autoresponder to **BUILD YOUR LIST!**
 - Tell them about free ad/credit packs when THEY join,
 - Tell them about **monthly ad/credit packs**,
 - Tell them about promo code newmember, and
 - Set your **ThankYou/bonus page** to offer **promo codes through Advertising Blowout** (hint: Join Advertising Blowout for free yourself!)

- **Elite and VIP** get exclusive access to purchase **Sponsor Login Ads** and **Start Pages**,
 - the **most effective safelist advertising media** shown to **EVERY MEMBER** as they login.
 - There is a **short rotation queue** because **there are only a few Elite and VIP members**, and **not all of THEM purchase these ads!** (oops, did I let the cat out of the bag?)

Beware of Hostgator Scammer

I got a notice that my domain name (webcastsource.com) expires TODAY and my auto-renew payment failed. A link was provided in the email.

I know better than to get sucked in to a link in an email so I went

to the MAIN Hostgator site I had bookmarked and tried to login. It's been awhile, and I had some login issues so I called Support.

Other than the annoying background noise from the India-based helpdesk, we got the login issues fixed, and also discovered that my domain does NOT expire until next year.

Upon further examination, the ACTUAL originating email address turned out to be: "Hostgator" <contact@theheavyfactory.com>

Phishing scam detected and defeated.
