Check out all the Splashpages at EasyCash4Ads

I've been telling you about [FreeListMonster](#), by Craig Haywood, who is also the creator of **EasyCash4Ads** and **SoManyHits**. In fact, **EasyCash4Ads** is the program recommended in the back office to **MONETIZE FreeListMonster**.

I've found that **EasyCash4Ads** has been not only a

- nice side hustle,
- a list builder with its "pass-up first two" strategy to qualify (drives downline activity, and the pass-ups come to YOU once you qualify),
- a nice stream of income (\$10 payments after you qualify), and
- a great source of hilarious, attention-grabbing splash pages that require NO PROGRAMMING or SET-UP.

all for only **one-time cost of \$19.00 USD**.

See The Live Splashpages In Operation

I put together a [gallery of the 16 Done-For-You Splashpages](#). **REALLY COOL.**

To demonstrate how this works, I created a capture page (a quickie I threw together) on my hosting account that launches when you click the **SHOW ME** button.

How Splashpages Work

To send that **SHOW ME** click, you simply append your **Redirect URL** to the splashpage URL with **&if=** then your redirect URL. This technique is a **NO PROGRAMMING SOLUTION** with dynamic set-up that makes it so these splashpages can be used with **ANY affiliate program** for your own capture page (recommended) created with **any capture page builder**, or send just to your affiliate link.

Why Use Splashpages

Splashpages are **engineered to load quickly**, which makes them **ideal to use with traffic exchanges and surf sites** to give you maximum exposure before the timer clicks down to zero.

Splashpages should be used with **Clickbank hoplinks**, **WarriorPlus**, and **JVZoo** product URLs that **fail framebreaker tests** (the reason your CB, JVZoo and Warriorad submissions on safelists are always denied).

Splashpages can be useful to **PREQUALIFY leads**, and defeat bots and bulk sign-ups. These require **NO EFFORT**. Just **USE THEM** with the techniques above.

Splashpage Adjacent Tools

My recommended capture page builders are [BuildABizOnline](#), [LeadsLeap](#) and the [Worldprofit Free Landing Page Builder](#). Recommended autoresponders are [BuildABizOnline](#), and [LeadsLeap](#)

The only problem I've seen is that the combined URL is too long for some advertising Target URL fields. Easy fix: use a **link shortener** like [ViralURL](#), [BuildABizOnline](#), [LeadsLeap](#), [HitsConnect](#), [SoManyHits](#), etc.

[Check out the Splashpage gallery](#). Click the arrows for next page. Since gallery consists of live pages, you can click the **SHOW ME** button. While you are there, sign up to receive the **EasyCash4Ads Newsletter**.

Go to the [EasyCash4Ads](#) site to check it out.

TIP: I created a **URL Rotator** (free with [BuildABizOnline](#)) with each of the **EasyCash4Ads** splashpages so prospects are shown a different page each time the rotatorURL is accessed.

Only a couple weeks to Black Friday and the Christmas Shopping Season

You should be thinking about, not only **how to SAVE money**, but how to **GET CASH BACK** on your purchases and holiday travel

First, sign up for Nexus Rewards as a Free Member to get free CashBack apps.

We will be watching my neighbor's dogs for a week because they are going to visit their daughter at college in South Carolina, with an excursion to Myrtle Beach for the holidays. Here is how they plan to everage their **Nexus Rewards Apps** to SAVE.

- **Cash back on Gas and local restaurants** with the free **Upside** app
- Used the **Hotels.com** deal on the **Premium Nexus Rewards Hub** to book a GREAT deal on 4 nights
- The **Premium Shopping Boss app** gets them cash back on the great selection of **regional and national chain restaurants**
- They used the **free Rakuten app** and the **Premium Shopping Boss app** for online purchases. **Shopping Boss Cash Back rewards** can be applied to purchases - no waiting for quarterly payouts like **Rakuten**
- They just joined, and spent over 30 dollars with a single order using **Rakuten** and **received 30 dollars cash back.**
- They shared their **free Rakuten app** with their daughter so she has her own account, and **SHE got a 30 dollar cash reward** when SHE purchased 30 dollars of stuff with the **Rakuten** app.
- They will scan all their receipts with the free **Fetch app** they shared with her to **get cash back** for the restocking of stuff every college student will consume: Tostitos, Old el Paso salsa, Barilla pasta and sauces, Breyers ice cream, Hellmans Mayo, Nature Valley snacks, Dove soaps and skin care, Starbucks, Gatorade, Pepsi, Tropicana,

L'Oreal, Maybelline

- They **linked their email used with Amazon purchases** with **Fetch** to eScan eReceipts to get **cash back on qualified products**
- Their daughter has been using her access to the **Premium NXRx app** to save on prescriptions while away at school.
- The accommodations for their Myrtle Beach vacation were booked with the VRBO discount on the **Premium Nexus Benefits Hub**

With just this short list, they will leverage hundreds of dollars in savings, discounts, and will receive cash back.

Take Action NOW

Minimally, sign up for free at **NXR Nexus Rewards** to get access to the free apps:

- **Upside** for Gas, Groceries, and Local Dining
- **Fetch** to scan for popular products
- **Rakuten** for Cash Back with online or in-store purchases at over 3500 retailers

As you can see, there is SO MUCH MORE in potential savings with **NXR Nexus Rewards Premium**. All for a 40 dollar set-up fee and 10.00 USD per month

Share your Apps so YOU GET CASH BACK when THEY GET CASH BACK.

I cannot see one reason why this is not a WIN-WIN for EVERYBODY.

[Get started for free with NXR Nexus Rewards](#). Share your app links with OTHERS.
