Case Study Video on ViralURL, TrafficZipper

Frank Bauer [shared this video](#) by JJ Kinseth

- I've been a member of **ViralURL** and **TrafficZipper** for many years.

- **ViralURL** should be a key part of your URL cloaking and tracking strategy
 - Join for free, but get the most of your membership by upgrading
 - **ViralURL** is a highly effective HIGH CTR traffic source.
 - **TrafficZipper** is already an integral part of MY automation strategy that saves me HOURS per day that I use for CREATING CONTENT
 - **TrafficZipper** KNOWS when mailers become available and have sufficient credits, then automatically schedules my pre-defined mails for sending
 - I save \$30 per month by signing up for **M3 Inner Circle**, where I not only get membership upgrades, but huge traffic benefits.

Great Traffic Strategy Video from Jeff Aman - Focus on ONE

[Jeff's video](#) tells of some fantastic free traffic training at **Internet Income System (IIS)**

If you haven't started yet with **Easy Commission Funnel**, don't get intimidated by the hype and income claims.

THIS IS A REAL OPPORTUNITY YOU CAN START FOR FREE.

BUT... I DO recommend joining SendShark. Jeff has negotiated a fantastic deal for a 50,000 subscriber autoresponder at a monthly cost of only \$25. Don't be scared away - you will earn **50% commission** from EACH of your ECF downlines who sign up for **SendShark**.

PLUS, Jeff has provided a starter **D-F-Y autoresponder campaign**. You can be up and running in minutes by importing the campaign into **SendShark**, or you can manually type the messages into another autoresponder.

These messages are **for YOU to be "nurturing" YOUR SUBSCRIBERS**, but also know that once you get referrals signed up, Jeff will be sending messages **on your behalf to ALL ECF SUBSCRIBERS** from HIS autoresponder system. His messages will provide training and guidance so that **YOUR downlines** sign up for the programs **THROUGH ECF** so that **YOU get the benefit of affiliate commissions. That's why it is so important** for you to sign up, even as a free member, to ALL the programs, and **update your affiliate ID** (not the whole URL) in the **ECF Back Office under Affiliate Manager**.

Jeff encourages you, in the beginning, to **COPY HIS MESSAGES AND**

CONTENT so YOU can start to **build rapport** with your subscribers through consistent messages and communication. I like to personalize them, or enlist the help of **ChatGPT** to make these messages unique for me. **SendShark** makes it easy to continually build on your autoresponder messages, and even send broadcasts to your subscribers.

Build your list, and get entrenched in the multiple-stream-of-income affiliate programs.

As you start to realize upticks in revenue from commissions, selectively upgrade to optimize your commissions, and invest in more effective traffic strategies.

NORMAL PEOPLE ARE DOING THIS AND SUCCEEDING because **IT WORKS**.

Easy Commission Funnel is the starting point for:

- **LeadsLeap** for list management, Done-For-You pages
- **SendShark** autoresponder with Done-For-You follow-up campaign
- **Livegood**
- **Internet Income System (IIS)**
- **TrafficZest**
- **The Click Engine**

Get started NOW with [Easy Commission Funnel](#), and join the programs above **through your ECF sponsor's sign-up pages** (hint: this is how YOU will make money from *your* referrals).

Review of Video Course ChatGPT Master Class

Dave Mosher asked me to recommend training or documents that may help someone brand new to AI, to get a little better understanding, and not be so intimidated that they might try to use the ChatGPT AI tools, specifically those offered with MyIMPartners or FastForcedProfits.

I reviewed the **ChatGPT Master Class** videos and found that it gave a really good case study of how a person started from scratch and created a sales letter, presentation, and the follow up emails for selling a product they created. This was a good case study in that it took it step by step from the beginning, and made you understand that if you use ChatGPT within the same conversation you can use that context to create the next steps.

It was a good example. While it may not apply to everyone's marketing strategy or requirements, what I've seen with this course

is that you can use the smarts within ChatGPT to help you shortcut some of the steps that you might have to take.

If nothing else, this course will introduce you to some of the capabilities you might have with ChatGPT. The modules are very short videos that don't require a lot of in depth knowledge, however they do give you enough of an example to whet your appetite.

ChatGPT Master Class can be found in the member area of **MyIMP**Partners under menu item **AI Educational Downloads**

Another review: Tutorial Class on ChatGPT

This video course is by the same author of the **ChatGPT Master Class**. It gives different scenarios, and gives even more examples of how to use ChatGPT to create various types of content.

Unlock 50 Free InVideo AI Minutes from NOW to Jan 5, 2025

InVideo AI is offering **50 free AI minutes**. This is the tool I used to create many AI-generated videos on my YouTube Channel.

So simple. Just type in the AI prompt, and it automatically creates your 1-2 minute video. Once created, you can preview the video, and edit the script and substitute stock media with your own media.

Once I'm satisfied with the preview,

- I download the mp4 file,
- go to my YouTube Channel,
- upload the mp4 file to YT,
- answer a few questions from YT,

- fill out the description (with the first line of the description being my URL I'm promoting), and
- publish.

Done. 10 minutes to produce and publish a 2 minute video.

Here are some examples of videos I created with InVideo
