Dave Mosher Daily Deal. [BOOKMARK THIS PAGE.](#)

Now through at least the end of the year, Dave will be posting a new **Daily Deal** with huge savings and lots of traffic. So you definitely want to bookmark this page, as he will update the page daily, **Sunday through Friday** (no update on Saturday).

Once the page is updated with a new Daily Deal, **the previous day's deal is off the table**. It may be a discounted upgrade offer, a Super Solo Package, etc.

I will try to post these to my newsletter daily. If you join from my newsletter link, you will **MY REFERRAL**

These Daily Deals can only be purchased from the Daily Deals page.

For example, today's **Daily Deal** is for [CoffeeBreakAds](#)

- Get an **Elite Upgrade** with **50 Super Solos** for \$21.00

Tomorrow morning, it will be a whole new offer.

To get this deal with ME as your sponsor,

- **join** [CoffeeBreakAds](#)
- then go to the [Daily Deal page](#) to purchase your upgrade
- Submit a [Support Ticket](#) with your Username, Site, Purchase date, and package you purchased
- When you joined, you received a starter ad/credit pack, whether you upgrade or not.

- Go to [Advertising Blowout](#), and retrieve your **exclusive ABO Promo Code** for that site.
 - Go to each of the **Free Promo Code pages**, and search each page (**Ctrl+f**) for the site name until you find it (do not include .com or .net in your search, just the root of the domain name)
 - **Copy that exclusive promo code (Ctrl+c)**, and **REDEEM** it on the main page in your site member area by pasting it (**Ctrl+v**) into the **Redeem Promo Code** box.

Comp Plans Make My Head Explode, but...

I attended the Zoom meeting for [FastForcedProfits](#) and WAS PUMPED. Just keep building out your 2x12 matrix, and you WILL make MONEY.

There are plenty of Zoom meetings (2 per day), and you can find Replays in the back office.

Beyond the matrix earnings, you are getting **REAL SAFELIST UPGRADES**, either 1 or 3 **Elite 1-year upgrades per month**. You are essentially **paying for 1 month**, and **getting 11 months FREE**. Every month, you get monthly **ad/credit packs ON EACH SITE as an Elite member**, even though you are getting that membership upgrade for free.

Promote these sites, and earn **50% Commission** on referral purchases.

Come on. Where else can you get **THAT AMOUNT OF ADS/CREDITS** for under \$10/month?

OR...

Choose the \$29.85/month option, it is

- **THREE TIMES** THE SITES,
- **THREE TIMES THE ADS/CREDITS**, and
- **THREE TIMES THE TRAFFIC** TO YOUR ADS.

Plus, sites are growing, giving you more eyes on your ads, and you earn 50% commissions for your safelist referrals.

Another no-brainer

GetResponse Sale Ends Dec 4th

I know that I am promoting the all new MyIMPartners Lifetime Founders, and it's no secret that I LOVE the BuildABizOnline tools, and... the majority of my campaigns are on the WorldProfit autoresponder, plus, I have GVO, NowLifestyle, SendShark, Aweber, and LeadsLeap, there are still programs that require (or just make it easier) GetResponse.

If you promote programs from Warrior+ or JVZoo, many of those programs have built-in integration with GetResponse. One attraction in having that integration is the ability to get up and running quickly, with Done-For-You campaigns that save hours of manual autoresponder entry. With as fast as Warrior+ and JVZoo launches pop up and disappear, speed is of the essence.

Well, for the Promotional period: **November 26th to December 4th**, Getresponse is offering

- 15% off discount for new accounts
- 15% off discount for monthly upgrades
- 30% off when paired with a 1-year plan discount
- 40% off when paired with a 2-year plan discount*

*Users already on the Ecommerce Marketing plan are not included in the promotion

I have built a solid base of over 1,000 CLEAN subscribers in Getresponse that would be too difficult to move to another autoresponder, so I suck it up and pay the price. But the ability to quickly get up and running is also at the top of mind.

It does have superior subscriber management tools to help you keep your list clean. As much as I complain about the picky SEO and spam detectors (that are doing me a favor I guess), it IS a fine autoresponder system. As long as you understand that you MUST keep your list clean because, the more subscribers you have, the higher the monthly cost.

This is another of those, "do it now to get the discount, it's tax deductible", decisions.

Take advantage of these discounts. Join [GetResponse](#)

Let's Talk About Shopping

I've never had a whole lot of luck with e-mail marketing and selling products. Of course I know that you get people on your list and then you sell to your list, but even then I've had my website set up for e-commerce for years. I've been an Amazon affiliate for over 10 years, and sold virtually nothing from my website.

I have an Amazon store, I have a Clickbank store, I have a PLR our store... (see [my website](#))

People were so used to just pulling up their phone and going right to the app. This is killing me for Amazon because I want people to click on the ads that I have that have my affiliate ID on them. Instead they go to the app and just either talk into it or scan it or type the item in and look at the listings and the comparisons and make their choices from there. So my recommendations go nowhere when it comes to Amazon.

I have a ClickBank store set up. I've had some success in selling ClickBank products but, only through the Clickbank Maximizer that I subscribe to. What this does is sends out free product for people to download, before it takes them to the actual ClickBank product that I'm promoting. This is a great list builder for me but doesn't really generate a tremendous amount of ClickBank sales.

I don't do social media, nor do I use social media to remote my Youtube Channel.

Retail is not my thing. But here is one way I can get SOME response for retail buyers: **Nexus Rewards**.

I offer 3 free apps for Free members of Nexus Rewards:

- **Fetch** - scan your receipts to get cash back for groceries, restaurants
- **Upside** - cash back for gas and dining
- **Rakuten** - cash back for thousands of retailers

Free members can make money by sharing their free apps. When they give them away, when your referrals USE those apps, YOU make cash back too.

And with Rakuten, the first time you use it, spend \$30 with a single retailer, and Rakuten will pay YOU \$30..

The next level of cashback and savings comes with the Pro membership. It costs only \$9.95 per month, but you can easily rack up equivalent savings or cash back.

- **Nexus Benefits Hub** (USA & International)
 - The world's largest selection of Discounts, Rewards and Lifestyle Benefits Currently used by 23% of Fortune 500 Companies.
- **Nexus Bill Reduction Program** (USA Only)
 - Save Money On Your Existing Monthly Bills.
- **NXRx** - Prescription Discount App (USA Only)
 - Save up to 90% off Prescription Medications
- **Nexus Shopping Boss App** (USA Only)
 - One Of The Most Powerful Cash Back Tools Available.

If you want **REAL POWER EARNING MONEY**, [Nexus Snap](#) is a world class **AFFORDABLE** marketing system that handles lead management and subscriber messaging. Sign up, and get access to the free webinars, or **upgrade to Pro** so you can get the **PROFESSIONAL TRAINING** from people who are **ACTUALLY MAKING TONS OF MONEY** with this system.

Hey, for \$10 a month, this is one of the most **AFFORDABLE home businesses that could yield massive income.**

Or... just convince people to upgrade and use the **Pro apps** for a nice side hustle.
