MyIMParters Will Be Getting MotionLeads Capture Page Builder

Good news! Dave hired a programmer so withn 4-7 days, we will probably see MotionLeads Capture-page Builder at MIP.

Ultimate Deal Sales will Fund MyIMParters NO COST Extras

Dave is trying to fund the programming changes needed to integrate all the NO COST Extras like MotionLeads Capture Page Builder, the URL Cloaker/Rotator, and Digital Downloads Library into [MyIMPartners](#) as he did with MyVIPContacts and ListGeniePro.

As Admin of these sites (who works for free), I KNOW the advertising value of these sites, and the commission potential of these upgrades Dave is offering at CRAZY prices. And these prices INCLUDE SUPERSOLOS!!!

- 5-Gold Upgrades + 60 Supersolos
 - Only \$37.00
 - Earn 50% of Sales - PASS-UP first sale, keep second sale
 - BONUS 2-pack of ads at Master Safelist Blaster
 - BONUS 2-pack of ads at FeaturedOffersXtreme

- 5-VIP Upgrades + 100 Supersolos
 - Only \$67.00
 - Earn 75% of Sales - PASS-UP first sale, keep next 3 sales
 - BONUS 3-pack of ads at Master Safelist Blaster
 - BONUS 3-pack of ads at FeaturedOffersXtreme

- 5-Elite Upgrades + 250 Supersolos
 - Only \$97.00
 - Earn 100% of Sales - No Passups
 - BONUS 5-pack of ads at Master Safelist Blaster
 - BONUS 5-pack of ads at FeaturedOffersXtreme

Commissions are PERCENTAGE of TOTAL NUMBER OF SALES. You are paid 100% of the AMOUNT of the SALES YOU KEEP.

Direct Payments. 10 ways to get paid. Members pay other members directly, unless you earn a commission from a payment method you cannot accept. In this case, you will earn 75% of the sale and we will pay you out via one of the methods you can get paid within 1 week or less.

YOU would be responsible for confirming that the payment has been received, otherwise, the purchased ads or upgrades REMAIN PENDING. (Do this as soon as payment is received!!!)

Why Aren't My Ads Being Approved?

As admin of 264 safelists, I login to each site every day to approve ads, 7ndays per week. While there are many ad types that auto-approve like Solo ads and credit mails, I still have to REVIEW and TEST all banners, buttons, textlinks, login ads, and traffic (surf) sites.

For every ad you submit, there are certain system checks that will ensure your ads are safe (not on blacklisted sites or from banned countries). The system also scans for full or partial keywords, and secure sites (http//:). These are never even entered into the system.

The BIGGEST issues I see:

- Sites do not display during frame-breaker test.
 - When you submit an ad, **you should see the page you entered** as the target URL DISPLAYED. **If your page does not display, I will deny it.**
 - Common problems: **Warrior+, Clickbank, and JVZoo sites MUST USE A SPLASH PAGE FIRST** that redirects to the Warrior+, Clickbank, and JVZoo site
 - You should not see any **error messages** (like 404 page not found, or 500 error)
 - Your page should fully load
- Banners do not display.
 - **PLEASE use the Banner Preview.**

- Common problems:
 - **SSL (http://) is REQUIRED.**
 - Exception: There are still several of Dave's sites that DO NOT require https://
 - **Banner Image URL** and **Target URL** are reversed
 - Foreign language
 - I only speak English. **If any portion of your webpage is not in English, It will not be approve**
 - Flagged by antivirus or anti-malware
 - **The URL will be removed from ALL sites**
 - Banner and URL Rotators
 - **Clickbanners** generally fail for URLs
 - Cloakers or banner rotators **MUST USE https://** when you define the Image URL and Target URL **inside the cloaker or rotator**
 - **TEST ALL URLs in your rotators.** One fail will get ALL disapproved
 - Credits
 - I will not deny them, but your ads will not get into rotation
-

MemberTools!Personal Builder

The **Personal Builder** is a way to tell others about your projects or affiliate programs. Members could get from 3 program listings for Free members, up to 15 records for Elite members.

There is an opportunity to promote Recommended Programs (both autoresponders):

- [ListGeniePro](#) Affiliate
- [MyVIPContacts](#) Affiliate

Also, Safelist Recommended Programs (promo codes sites)

- [PromoPalaceAdz](#)
- [InstantCashPromoCodes](#)

The admin **must approve ALL CHANGES**, but the information is ALL YOURS, and I am lobbying to have these become auto-approved because this is not being advertised anywhere, in fact, **NOBODY EVER SEES THIS PAGE UNLESS YOU SEND SOMEONE THE URL** from the top of the page.

YOUR TOP 10 FAVORITE PROGRAMS

With the page accessed at **MemberTools!My Top Ten**, you can create your own splash page to promote **125x125 button ads** from your favorite programs.

You can add up to ten 125x125 button ads of your favorite programs. **Please use only 125x125 button images**, but there is no system validation of either the button image size, nor target URL.

Note:

If you don't fill all 10 fields, then the system will pick and fill the empty fields **from your 125x125 banner ads** that you have posted.

If you haven't added any 125x125 banner ads then the **plugin will chooses random banners**. We highly recommended to fill up all 10 fields.

No approval is necessary on this page. This page is not being advertised anywhere, in fact, **NOBODY EVER SEES THIS PAGE UNLESS YOU SEND SOMEONE THE URL** from the top of the page.

This page is an opportunity to **promote YOURSELF and YOUR BRAND**, by telling your name, member level, and showing your picture.

This is also a subtle way to get **safelist referrals**. You are providing information about the particular safelist, telling them by joining, they get **5,000 credits, and a 5-pack of banners, buttons, and textlinks**. Down the page, a message **containing YOUR REFERRAL URL invites the vewer to get a free WEB page like this** to promote your own favorite programs!

And of course, you invite the viewer to Feel FREE to join any of your favorite programs by clicking the banner images.
