I WANT to Hear From You!

If you are one of my 20,000+ newsletter subscribers, let me know your thoughts, and let me know if my newsletters provide **VALUE to YOU**.

I'm not just promoting any old stuff. **I USE WHAT I PROMOTE AND SELL.**

Because I admin over 264 safelists, approving ads every day, and

I actually **USE these sites on a daily basis**, I see the ads **FIRST**, and have an opportunity to check out the various offerings. Any affiliate commissions I might make are spent **JOINING these programs** to find those **worthy of MY RECOMMENDATION** to my subscribers, and **PURCHASING, MEASURING, AND ANALYZING** traffic sources

I also write about my successes, failures, and caveats, providing **HINTS** and **TIPS** from **real-life experiences AS A USER**.

My professional sales training, as taught by Lexmark, IBM, Dell, and Microsoft, and 20+ years as a professional consultant for Fortune 500 companies, Government, Military, and to a lesser extent, small business, has given me insights and skills I pass on to my "clients". I'm retired (per my wife, for my 3rd and final time), so any **SERIOUS** network marketing "clients" are now free.

I practice **CONSULTATIVE SELLING**. As a professional consultant, the **SALES people would develop the client relationship**, and **call ME and my team** to help the client (usually c-level or senior management) **identify the business problem**, and **jointly develop a viable solution** that usually saved them time, money, resources, etc. I'd help develop the business case, and help the client present this case to management or the board. Win-Win. **I LOVED my job**, working with customers, solving problems, usually saving them money. I worked with **SALES**, but hated doing sales myself.

Before I retired, the consulting firm **did this FOR ME**. I was the customer. They helped me **WIN approval** from the board, in my office sometimes til midnight fine tuning the business case and presentations. The day I retired, **they called ME** and asked **if I would want to do the same thing for others that THEY DID FOR ME**. It was a resounding **YES**.

My tagline is, "**Consultant FIRST, Salesman LAST**". I've always believed that if I **BUILD a RAPPORT**, and my subscribers **KNOW, LIKE, and TRUST** me, I don't need to **SELL... the SALES WILL COME**.

Hey, it's been working for 20+ years... and still does.

I WANT TO HEAR FROM YOU. I WANT TO HELP YOU.

If you love it as much as we think you will, you can purchase it directly. Aiming for hassle-free, secure browsing? **RoboForm** is the way to go!

My **Roboform** master password is the first thing I enter after logging on to Windows. I store literally over 1000 website login URLs, thousands of userids (admin and user), passwords (admin and user), banking and credit card secure storage. My **Roboform** automatically updates and synchs my PC laptop, tablet, and smartphone. I absolutely cannot function without it.

Something you would use THIS much and depend upon THIS much is worth \$20 per year for a Premium account. I have the **Family Plan** with **5 Premium accounts for \$30 per year.**

PS. As an essential tool necessary for your network marketing business, **ROBOFORM is TAX DEDUCTIBLE**

Speaking of Secure Backup

Your files, and photos are invaluable, and most times, irreplaceable.

Never Lose your photos, videos and digital data ever again!

I've been using **GotBackup** since the beta in 2015. I am by trade, a systems and network engineer who **DESIGNED and built backup/restore systems and firewalls** for a Fortune 500 company, with access to the tools and resources to **BUILD MY OWN**, but I **could not do it for less**, and with **less maintenance** than I could with [GotBackup](#).

The **Family Plan** with 6 accounts, 6 TB of storage, for **only \$9.95 per month. Unlimited devices on each account.**

You NEED to protect YOUR FAMILY's DATA

Opportunity: One-time \$20 reseller fee. (optional)

Lucrative comp plan, autoresponder and marketing tools are included with your monthly Family Plan fee. Not a bad side hustle for such an effective tool.

There is no cost to lock in your free position and you can opt out anytime.

PS. Also tax deductible

Worldprofit All New Safelist Scripts

George has completely revamped all 18 Worldprofit safelists to a much friendlier interface he generated **COMPLETELY WITH AI!**

Same Great Ads, but focused on **WHAT PEOPLE USE**, and eliminated the other stuff.

These are all available to **join for free**, **access the sites**, **update your login and password**, get **promo codes**, and have **one place to login** with the [Multi-Commission System](#).

Userid's were preserved if previously a member on the old sites.

NOTE: if you had bookmarked the sites with the old scripts, **ALL URLS HAVE CHANGED.**

All **Silver and PlatinmVIP members** now have the new sites included in their **MONTHLY TRAFFIC INJECTIONS.**

[Check these sites out NOW.](#)

TIP: These sites are great for promoting **YOUR affiliate programs**, but since most members are Worldprofit Associates or paid members, **you won't have much luck when you advertise Worldprofit memberships, products, or services BUT...** a large percentage of these safelist members are **BUYERS!**
