FastForcedProfits AI Content Creator Tool

Fast Forced Profits has just included an **AI Content Creator Tool**

I don't do social media. I have a Facebook account where I post videos from my Youtube Channel, but I don't interact with it. I don't add friends, rarely comment, but like to view the reels. Same with Instagram, and Pinterest, and only post videos to my YT channel.

This tool allows you to create, and promote **YOUR BRAND**, which in my case, is my WorldProfit website, [WebcastSource.com](https://www.webcastsource.com)

The **AI Content Creator Tool** walked me through "brand creation" that pulled information from my website, allowed to edit or add to it, and it created the narrative used to create the social media pages. **AI Content Creator Tool** prompted me through setting up my social media connections, or creating new accounts. It pulled information from my website on my business opportunities, traffic sources, and offers and plugged them into the AI engine to create my brand content.

The cool thing is that **AI Content Creator Tool** showed me some Done-For-You templates and examples, then generated the images or videos to create my posts

Then the magic. **AI Content Creator Tool** set up scheduling so I don't even have to sign in to post.

I'm waiting for the magic to actually happen so I'll keep you updated as to results.

This is all happening through [FastForcedProfits](https://www.fastforcedprofits.com). Not only do you get **1- or 3- 1-year Elite memberships per month** with all the advantages of Elite membership, you also get the advertsing power, traffic, and 50% commissions on safelist referral purchases.

Single- and Tri-pack members get access to the **Motion-Leads capture**

page builder. I LIKE this tool, and have created dozens of campaigns using it. Everyone also gets access to a **URL Tracker and Rotator**, and the **Digital Download library** with hundreds of ebooks, courses, marketing tools, websites, content, and PLR **YOU can use, give away, or sell.**

Tri-pack members get a full-feature autoresponder, **MyVIPContacts**, and **4 New Promo Codes Every Month With Swipes** that allow you to build your list by offering a free 1-year Gold Upgrade to a different safelist every week. It also includes **2 Years worth of follow-up emails** (140 weeks), whose value is to keep your subscribers.

Get this new year MOVING with a Tri-pack membership at [FastForcedProfits](#).

NEW. AI Teachable Chatbots for YOU

George Kosch and his technical team have created a new **CHAT AI BOT** exclusively for Worldprofit Silver and Platinum VIP Members. George provided a DEMONSTRATION of how this works and how you benefit.

These **CHAT AI BOTS** are built by Worldprofit and supported by the WorldProfit in-house Support Team, an additional benefit for our Members.

These new **Worldprofit AI Chatbots** REPLACE the previous model offered.

My Experience with Chatbots

I haven't been a fan of chatbots on my websites and capture pages because they have required for ME to be accessible to "chat". More times than not, I got spammed, cursed, and abused by them. I had few conversions with THIS approach to reach out and get new subscribers. And let's face it... I am retired and don't sit in front of the 'PUTER all day.

Add AI

George Kosch has just offered a brand new **AI-driven Chatbot system** that HE PROGRAMMED, not a commercial adaptation. That means that George can take suggestions on features and improvements (he did already IMPLEMENT some of mine).

Easy to Set Up

No programming needed or complex setup, Deploy each AI chatbot with **one single line of HTML code** on your capture or sales page. On the free [Worldprofit Landing Pages](#), just add that code in any of the 12 designs to the **Analytics/Tracking/Sales Chat Code** box

How I Am Using AI Chatbots

I am using all five of my **AI Chatbots**, and have installed them on five different program pages. Worldprofit provided a template already programmed to answer questions about Worldprofit, and encourage signups as a free Associate. Each of my other bots take information from ad copy I've used in my promotions, and have created possible answers to questions that may be asked. The Get Started buttons redirect to my sign-up or lead capture page.

See examples of my AI Chatbots on the next page.

My Offer to YOU

I'm open to **CREATING ONE FOR YOU** for only \$5 per month subscription (I have to purchase the license subscription annually). You would be able to cancel your subscription any time (of course, no refunds... it's only \$5).

These AI Chatbots are only available through Worldprofit Silver and PlatinumVIP members, but if you purchase a subscription through ME, **you do not need to be a PAID Worldprofit member** (Silver membership would be \$99.95 per month).

I will work with you to let AI create your answers to questions from YOUR narrative, and YOU determine the **REDIRECT URL for the START NOW button** that takes them to YOUR ad or affiliate website.

I've created a short autoresponder message stream with details and examples. See my [AI Chatbot Landing Page](#).
